Chapter 1 - Adolescent Feelings

1 - Adolescent Feelings

Kiss me tenderly
Just leave your mark
And never stray
Believe I love you
For words are more
And more too much
Just walk with me
And never let go
Even if by chance we fade
I'll always be right here
I'll never go away
Because you're oblivious
And oblivious too much
For you shall never see
My true fond feelings
The ones inside
They're all for you
I can't escape
So, so should you
For I will stand here
And await that day
When you come to realize
My adolescence is dedicated to you
And you'll finally understand
Out of every word written
Every word said, whispered and pondered
I've always loved you.
