1 - Wish of Reality

Hey, We've a new story yes we, me and Cahadras. See it started out as just letters but then we started writing an on going story and then a script. @- @ And it has only been going on for a week or 2, I think.

Cahadras- No it's been way more then that.

Me- I don't know about that. Anyway we are pen pals sort of so it might be a bit confusing.

Cahadras- What do you mean sort of hell we are pen pals we write to each other about 3 times a day. Even Hiei knows tell them Hiei.

Hiei- Hn...Right whatever.

Cahadras- see^^

Hiei- Ok (takes out sweet snow)

Cahadras-GIVE ME THAT!! (Fights with Hiei for sweet snow)

Disclaimers- we don't own Yu Yu Hakusho even though we wish we did, baka reality. Cahadras owns herself and I own me that's about it.

Here's the story enjoy!
