# 1 - Lift Troubles

## Lift Troubles

It was six in the evening on a friday and Lifty and Shifty, two rather stupid and selfish robbers were in a lift at a mall after a stealing spree

They were both constantly sniggering "hmmhmmhmmhahahmhmhmteeheeheeheehee"they just couldnt stop "hahahaha i cant believe we actually just did it once again like always" said Lifty gleefully proud about something "yeah it took 8 cans of oxygen,2 days and a box of chicken jerky but we finally stole a packet of mints WHOOPEE!" cheered shifty "Shut up im trying to concentrate now go be stoned and weird somewhere else ya little freaks,and take off those raccoon costumes they're cute but green and weird" said some stressed buisnessy looking man writing some report and of course they both stared at him for about 30 seconds "damn they're realistic,you makin a movie or somethin?". "Shifty ive got an idea" said Lifty "how 'bout we accidently know the pen out of his hand and make him pay us to pick it up" "ooo'oh alright" he agreed and so they went to it "hey would one au ya's be sane enough to pick up that pen?" asked the man and they made a sly look at him "hmm maybe not,how bout i give ya fifty cents to do that" he negotiated "we're on it sir done and done" they both did "hahaha how could i hate you's,you kids are cute" said the man and he got off the lift they then both muttered something rather nasty.Then a certain candy addicted green squirrel got aboard "HEY GUYS WE'RE IN A LIFT,TOGETHER HAHAAAAHA!" said nutty joyfully "NUTTY what are you doing here?" they both asked and the lift broke down right after that "OH shoot!" they both exclaimed "YAY LIFT PARTAY WHOOOOOOOO" shouted nutty as lifty and shifty started crying

"LETS HAVE A SINGALONG!" shouted nutty "why?" asked the brothers "CAUSE I SAID SO!" shouted nutty "and what if we dont want to join in" asked shifty "THEN I SHALL RIP OFF YOUR FACE,EAT IT THEN TURN YOUR EYES INTO EARRINGS AND YOUR DENTURES INTO A NECKLACE!" he threatened "....really?" asked shifty scaredly "YEAH YEAH I WILL AND THEN AFTER I DO ALL THAT GROSSE STUFF ILL THINK OH NO I SHOULDNT HAVE DONE THAT WAH WAH WAH HAHAAAAHA IT WAS COOL AND THEN ILL CHUCK THE BODY INTO A RIVER AND THEN YOUR PARENTS WILL FIND IT AND THEYLL BE ALL SAD AND STUFF AND THEN ILL GO TO JAIL BUT I GET TO GO TO YOUR FUNERAL AND THEN YOUR PARENTS WILL BE ALL BOOHOOHOO WY DID YOU KILL OUR SON HE WAS SO NICE BOOHOOHOO HAHAAAAHAHAHAHAHAHAHA!" "THATS IT THATS frackING IT YOU frackING SUGAR SEXING shoot STOP IT I HATE YOU SO GO GET A LIFE,A JOB,A GIRLFRIEND AND SHUT THE frack UP!" threatened shifty aggressively ".....wow...good for you shifty that was absolutely brilliant it really was most of us are too scared to do that to nutty" complemented lifty ".....thats it your off my christmas card list,my party invitation list and my random scares list so now your going on my enemies list "really?" said shifty "NO I LOVE YOU AND IM CURRENTLY STALKING YOU HAHAAAAHAHA NOW LETS SING ILL PICK THE SONG!"

"doo doo doo dooo doo cant touch this doo doo doo doo doo cant touch this" they all sang "CHANGE OF SONG" shouted nutty "chubba chubba chocolate" said nutty "what?" asked the brothers "I MADE IT UP SO LETS SING!" shouted nutty "CHUBBA CHUBBA CHOCOLATE CHUBBO CHUBBO

complained lifty "LETS PLAY HIDE AND SEEK!" suggested nutty "in a lift?" they both asked "YEAH ITS  
EVEN BETTER IN A LIFT!"

"78 6011 50BONKERS 20DOODA 1BILLION NOW WHERE ARE THEY..FOUND YOU MY TURN  
AGAIN!" shouted nutty "nnnnngggGRAAAAHHH I CANT TAKE IT ANY frackING MORE!" shouted Lifty."I

ill be the yakuza" "again pointless and stupid" the twins answered "NOW LETS PLAY BUTTONS!"  
suggested nutty "WHAT THE HELL IS THAT?" they asked "YOU KEEP PUSHING ALL THESE  
ELEVATOR BUTTONS HERE FOR NO REASON HAHAHAAAAHA!" explained nutty and so nutty started  
fastly and randomly pushing all the buttons and then the lift started working again "YAY WERE SAVED"  
shouted the brothers and they immediatly shoved nutty out rather violently then pressed a few random  
buttons rapidly and the lift was off "NOOOOO DONT DO THIS TO MEEE IM SOOO LONELY!".

## 2 - Floor Thirteen

### Floor Thirteen

It was now half past six in the evening and Lifty and Shifty two rather stupid and selfish thieves had just gotten rid of a madman and had gotten an elevator started again.

"Jebus Karist hat blelt ike a waeek" said Lifty stuffing his face with gummy bears that he robbed from nutty "yeah a week in hell" replied Shifty. They hadn't realised what floor they were heading up to. "So wheres this lift heading then?" asked Shifty "i dunno there's only six floors in this place" answered Lifty once he finally got his gummy bears digested "That reminds me where are we again ive forgotten alot since nutty drove us insane?" asked Lifty "we're in a mall and we've just gone past floor eight" answered Shifty sounding rather worried "thats creepy 'cause theres only six floors" replied Lifty "maybe nutty injected us with something when we weren't looking and now we're in a drugged nightmare" wondered Shifty and they both "hmmmed" at the situation.

Atlast the lift finally stopped at Floor Thirteen. "Floor thirteen?" Lifty asked reality "What the frack is this the twilight zone?" Shifty calmed him down and they both walked out of the lift. "Hey this looks just like floor three" realised Shifty "yeah only it looks alot scarier and darker and abandoned" Lifty pointed out "maybe we're in that place in silent hill 3?" they both thought. Then Shifty needed a piss so they went to the bathroom and saw "BLoODy HoRrORrrrR" written on the mirror rather badly and violently on the mirror "now im scared" said Lifty "ah dont worry ive played the games and had the dreams" said Shifty trying to bring hope. So they walked out and saw the place was now filled with zombie like creatures that resembled Jack Skellington only with smaller heads, blood stains, longer clawlike arms and ripped tracksuits "THAT IS fracked!" they both said and the zombies chased them so they ran into a starbucks. "NOOOOO I HATE STARBUCKS 'cause its always full of students" said Lifty "shutup atleast its late and abandoned" said Shifty. But then he realised they were in a warped version of walmart filled with scary, depressing shoot "huh? we're in a goths walmart" realised Lifty "alright this is getting weird so why dont we just go through that door that says go through me and fall asleep so we can be found by the mall security" suggested Shifty "oooooh good idea why didnt i think of that?" Lifty asked himself "cause i have a hat" answered Shifty and they went and done exactly that. In the room was janitor equipment and grey brick walls and two chairs "we can exit here and to make it easier ive got tranquiliser pills" said Shifty and Lifty agreed so they both fell asleep and waited.

They woke up in the lift "thank god" they both said "whats he done recently?" asked a rather friendly voice and they got up and realised where that voice came from and that they were in mortal danger

### 3 - Its getting Late

Its getting Late

"Well if it isnt my two favourite little burglars" It was flippy,a war veteran who got extremely violent at the worst possible times."how are you two doing then its been ages,so you two on one of your trademark adventures then i suppose?" he asked ".....yes" answered Lifty & Shifty.They were sick with fear but then realised how a lift or a mall couldnt affect him,or could it? lets just see then.

"Well guess what ive got a present for you two" said flippy and he sounded very friendly like he does most of the time he isnt psychotic,so he handed them two heavy cardboard boxes with a question mark pattern all over them."Go on open it" he assured "ooooh surprises" said the brothers as the slowly opened it and in the box was alot of sweets,a Heckler & Koch MPK5 and some games for a PC."THA-ANK YA-OOOOU" they said happily but just then the mpk5 reminded flippy of something nasty and he started acting up.Flippy was breathing harshly "oh bugger" said the brothers "Shut the frack up,grab your guns,we're going in" said flippy sounding rather stressed and the lift door opened.Flipy was weilding an M16 assault rifle full of ammo and with the bit that fires grenades and he started shooting everythin and thankfully the mall was scarcely populated because it was 7:30pm."So to stop flippy's rampage Lifty and Shifty mindlessly fired at flippy filling him with holes and lots of blood came out "thank god we're saved" said Lifty releived "but hes dead" said Shifty "Shifty we're HTF's we always come back and so does he" Lifty reasured.

"Jebus its 7:35pm we better get home soon or we'll miss the black books rerunning at nine" said Shifty worried "lets steal some more then catch the bus at eight" said Lifty "yeah i see a bathroom store over there" said Shifty and they went on in.They had a big purple bag and were stuffing lots of bathroom furniture and necessities into it but then a certain blue skunk spotted them.It was obviously Petunia acting all lovable and innocent like she constantly does for some unknown reason "hello boys...oh my god are you robbing a shower!" asked petunia "errr....no we're.....just taking it back to the factory 'cause....its faulty" lied the brothers and she stared "so why are you here,isnt it a little late for a decent lovable little girl like you?" asked the brothers "dont do that" suggested petunia rather annoyed by the fact everyone seems to find her decent and lovable."well if you must know im buying a new bath because my current one has a leak" she answered "i thought you had a shower?" asked the brothers "are you kidding? showers are for sexy people" she answered "oh come on dont do this to yourself you're a beutiful thing infact you are sexy" complimented Lifty "stop doing that Lifty she has pepper spray" commanded Shifty worried "HAH! pepperspray is for 40somethingyearsold nervous new york doges" said petunia rather bitterly "AND STOPPIT WITH THE BEAUTY COMPLIMENTS I GOT ENOUGH OF THEM LAST WEEK FOR F\*\*\*S SAKE" said petunia angered "and no i dont love handy either he's annoying and stupid infact i dont love anyone...or maybe i do or not yet" said petunia bitterly once again "i dont get it...but why do you wear an air freshener around your neck" asked the brothers "because i cant get it off" answered petunia and the brothers backed away "angriest whore ive ever met".

"oh crap how'd we end up in this geek hole" the brothers asked each other because they had ended up in the heart of a PCworld store.So they walked around looking for the exit until they stumbled across

someone "oh no its culu the kid who loves himself too much" said the brothers as they annoy culu "oh no its lifty and shifty the two kiddy criminals that act like two wannabe mafia captains" said culu defending himself "since when'd we do that 'cause all we do is steal stuff and play five finger roulette with annoying poofy kids like cuddles and toothy...but anyway culu youre supposed to be a real live human being not some retarded blue beaver" said the brothers "this is an HTF FanFiction so he can do whatever he likes with it and if he doesnt know what i look like in reality then i can be what he wants me to be and that is a lovable blue beaver who is seen all the time on the HTF section of fanart central" explained culu "and by the way im here because i was getting a photoshop upgrade and now im leaving because its closing time in 1 minute" said culu "shoot" said the brothers bitterly because they were stressed and late.
