**Chapter 1 - Lost Love**

**2**

## 1 - Lost Love

Today someone smiled at me  
He reminded me of you  
Innocent and full of youthful energy

I blinked back my tears  
And walked solemnly away  
The memory too strong  
For me to wish away

I still remember your voice  
Soothing and sweet  
And how you used to sing to me  
When my life grew too hard  
For me to bear

I still remember your eyes  
A glowing amber brown  
And how sympathetic they were  
When I told you my past

I wish I could forget

You dying in my arms

Having saved my life

By taking your own

I remember the good

But the bad is far too strong

I can't move on

I'll love you to my dying day
