**Chapter 1 - Let Go**

## 1 - Let Go

Forget me  
I'm obviously worthless to you, anyhow  
This new group  
This new crowd  
Means as much to you as I once did

I've lost my interest to you  
I can't be there when you need me  
I'm naive  
For believing you  
When you say I'm your best friend

Just leave  
Just like everyone else has  
You're all I have left  
And it's obvious you don't want me around

I thank you  
For trying  
Anyhow  
It's my fault  
Not yours  
Don't blame yourself  
Just go on your way  
Just like everyone else.
