**Chapter 1 - 1**

**2**

You brush me off  
like I don't exist.  
But I keep trying  
and keep playing the fool.  
You aren't ever kind to me  
but I constantly fall  
head over heels for you.  
I don't understand it  
Maybe you can explain.  
Its some strange attraction.  
To what I want you to be  
and an aversion to what you are.  
Help me understand.  
Someone keep me from falling  
because these feelings hurt  
worse than your ignorance  
Help me figure this out  
because I can't do it anymore.
