1 - Finding the light 1

Thus the dark has gone,now gaze upon what lies ahead,the gloomy dark hours have finally shed to reveal a treasure of dreams and cares.

Light can be found in many places,if you only know where to look.

For if you cannot believe in yourself than you are surely dead.Thus the dark has gone,now gaze upon what lies ahead,a dangerous venom has been banished away for the light can be found in many places,if you know where to look.The darkness has shed,the light has come,faith has been reassured,for the only one who can savor the momentis the person who knows where the light is.
