Chapter 1 - The Story Begins.	2
Chapter 2 - The new student	3
Chapter 3 - The rest of the day	5
Chapter 4 - The great change of the franchise.	6
Chapter 5 - History-this is not a chapter, but an appendix	7

1 - The Story Begins.

It was Timmy's third Fairy-versairy celebration, and, like the last two fairy versairies Timmy had, He had a special muffin that tasted horrible. He had wished for 500 bottles of mouthwash before hand.

He had a bite of the muffin, tried his very best not to spit it out and Made a rule-free wish.

"I wish.... I wish I didn't fancy Trixie Tang anymore!"

"Ain't That a bit stupid?" Asked Cosmo and Wanda. "You're madly in love with her and besides, it would interfere with the rules of the franchise!"

"A *RULE FREE* Wish," Said Timmy "Would be a wish free of rules. I don't want to fancy Trixie anymore because she thinks I am an empty bus seat!"

"True," Said Wanda, "But Why Didn't you just wish that she fancied you?"

"Ach, I'm not really attracted to her much anymore. Besides, Tad would bash me to a pulp if he found out I was stealing his Girlfriend!"

"Very Well," Said Wanda "But make sure you don't come run to us when you find another someone you're attracted to!"

"I won't!"

"Good"

The next day Timmy went to school as usual. He didn't try to get Trixie to sit next to him on the bus. He sat with Chester and AJ instead. They asked why he wasn't so reluctant to sit next to them

"I want to be a single!" Said Timmy quietly. "I don't want a woman bossing me about all my life. I want to make my life worth living. The best thing is, I won't have any kids to annoy me because I won't be married!"

"Good For you!" Said Chester. "We don't like girls either!"

2 - The new student

Timmy went to class feeling relieved and happy because he did not fancy anyone. However, Mr. Crocker Had some news.

"Good news class. We have a new student arriving in our class today! That means I can give out EVEN MORE F'S! HAHAAAAHA!"

Timmy wanted to know what this kid was like. He wanted to know what games he liked, and if he was a geek or not. If he was a geek then Timmy wasn't going to be friends with him. However, it was soon notified that this new student was actually a girl.

"Wonder what she's going to be like?" Asked AJ to himself, But Timmy heard him.

"Probably like all girls," Replied Timmy, "She's going to hate footy, think that dead frogs are gross, and just gossip with all the other girls at Break Time instead of just play."

A few minutes later, The new student actually arrived. Timmy took one look at her, and, in true Macromedia flash form, His Irises turned into love hearts. He hesitated to Say "Hi, I'm Timmy. If you're a cool kid, sit with me. If you're a geek, Sit with Elmer, the kid with the boil!"

The girl walked over to where Timmy was and Said "Hi, I'm Toni, What's your name?"

Timmy, Still trying to find his voice, managed to croak "Er.. I'm Timmy. I have to go to the bathroom!"

But before he could exit the classroom, Mr. Crocker grabbed him.

"And Where do you think you're going, Turner? Are you going to go to your locker where you keep your FAIRY GODPARENTS!?!?!?"

"Oh, Sir!" Said Toni. "You are silly! You're old enough to know that fairy godparents only exist in fairy tales! Now go back to your desk like a sensible teacher!"

Mr. Crocker, Abashed, walked back to his desk and remained good for several hours.

"Gee, Thanks!" Said Timmy. "You're not such a bad lass after all!"

"Don't Mention it!" Said toni. "I've been to loads of Different schools, and I know all about how to handle teachers! But," She added, "There's some teachers that are clever and need a bit of intelligence to outsmart. Denzel Crocker doesn't seem like one of them!"

"You're Right there! He's nuts! He thinks I have fairy godparents!"

Soon, Mister Crocker got tired of being good, and decided to do a pop quiz on his students to cheer

himself up. Elmer said that St. David head was on top of St. David's Shoulders, and Sanjay Made a quite intersting statement that Kerr, Stuart and Co. LTD was a factory founded in 1276 that made socks. Linda insisted that the Flying Scotsman was a fairy tale where a man with a beret and kilt was able to invent redbull and give himself wings. Tootie seemed sure that The Jaguar XKR was a very deadly and dangerous big cat. Toni, However, Had photocopied the answer sheet Before Crocker had Declared the pop quiz begun. She didn't mind sharing the sheet with timmy when he was asked a question. They were the only two students who got any answers right.

"Hmm..." Said timmy. "You may be a good addition to this class. It's a good thing that you aren't so clever that you're in high school and we don't have you in our class, but you're clever all the same."

"I'm clever," Said Toni, "Just not bright. Ask me a question"

"How many wives did Henry VIII have?"

"23 and a half?"

"You sure don't know much when it comes to schoolwork, do you?"

"No, Said Toni. I don't bother to learn about stuff I don't need to know. If I want to be a hairdresser I don't have to know how many wives king Henry VIII had."

"True," Replied Timmy, "But I wouldn't want to be a hairdresser. too girly."

"Me niether." Said toni.

"School's going to be better with you around." Said Timmy.

3 - The rest of the day

During lunchtime, Timmy ate his revolting sludge. after that, He chatted to his Green juice carton and his pink napkin.

"Timmy," Said Wanda, "I thought that you didn't want to fancy Trixie anymore because you wanted to be a single!"

"Nope!" Said Timmy, "I just wanted to find someone else!"

"Suit yourself," Said Wanda, "But You're not going to unwish your wish."

Ok, Said Timmy. He drank some of the drink that was inside Cosmo, who was disguised as a carton.

"AAAAARRRRRRGGGGGGGHHHHH!" Said Cosmo. "My Brains!"

"I'm not going to unwish this wish anyway! This is the most sensible wish I have ever made!"

He was right. The rest of the day, Timmy was with toni, who had just become one of Timmy's friends, along with Chester, AJ, Elmer and.... Er.....

"Sanjay" Said Sanjay.

Right.

AJ and Chester were not very happy that Timmy had let a girl into their gang but Toni Just made a comment about them being sexist.

"It's not fair!" She said. "There are no girls in the show that Timmy gets along with. Vicky is a nasty pice of work, and Trixie doesn't like timmy, who doesn't like Tootie."

"Ok, Ok." Said AJ. We'll let you be a member of our gang. To be honest I think you're right. Most girls in this show are either Neutral or Evil!"

"Although a lot of males are bad too!" Said Chester. "There's Mr. Crocker for a start! Then there's Francis, but We might as well call him Frances to wind him up!"

"Anyway, Thanks for letting me be a member of your gang!" Said Toni, "But It's 3:30 now, that means Home Time!"

4 - The great change of the franchise.

That evening Timmy and Toni walked home together.

"You've made this day a day worth remembering." Said Timmy. "Even more, It's a *school day* worth remembering!"

"Thanks!" Said Toni. "You know that I'll be here every day for quite a while. My Parents have decided this will be my permanent school. And you know what, timmy? I like you. I think you're cute."

Timmy Blushed, and whispered to himself "She likes me!"

"Do you know what you've done, Toni?" He asked. "You've just changed the franchise's tradition, in a good way! Now I have a girlfriend that likes me, and I like Her!"

"Do you really have fairy godparents?" asked toni.

"Nah!" Said Timmy. "They Don't exist!"

They each went to their own homes, and timmy thought. Does She Have godparents?

i]The truth Will have to wait, Folks!]

5 - History-this is not a chapter, but an appendix

This may be made in 2009, but My character (Toni) dates to late 2006 or early 2007. I thought that Timmy should have a girlfriend that he likes not just because of her good looks. I wanted to make her different.

When I used to do comics, I did some concept art of Toni, and I made her be a regular character in my comic strips. When I became a member of Fanart Central in 2007, I was a n00b, and, because my scanner did not work, I only posted sucky art, but in 2008 I returned, as a reformed user. I've decided to do fan-fiction for a while, to see if people like my stories. I hope you do.
