1 - The horrible babysitter

It was a lovely day in Dimmsdale. Three Quarters of the world were starving and others were in poverty, But Nobody In Dimmsdale Cared. What Jerks.

Life at school wasn't so bad for Timmy Turner anymore, ever since he found the love of his life. However, being at home was a different matter. He'd come home to his parents saying that they are going out, and he was Treated to a night of Icky Vicky Torturing him. He was up to his hair roots with fed-up-ness. He reckoned something needed to be done about it.

Vicky Was Partly the reason why he didn't want to have anything to do with Tootie. Vicky would be a sister inlaw! gross!

Anyway, Timmy Knew that something had to be done about it, and went home to go and have a feast of A Rustler burger and Fries 2-go. He later saw his parents, all smartly dressed.

"Hi, Timmy!" Said his father. "We're going to an italian resturant! It's got every different type of Pizza you could imagine!"

"Let me guess," Said Timmy, "You're going to say that I can't come, for some insane reason, and Vicky has to come over."

"Well, If you want, son. We have enough money for us all to go, but, if you want, you can stay with vicky. Ok? I'll arrange for Vicky to come over."

"NONONONONONONONONONONONONONONONOONNO!!!!!!!" Cried Timmy. "Vicky is evil! She makes me go to bed when It's still light outside *IN THE WINTER*, and she makes me clean the car when it's already as shiny as Harry Hill's head, and makes me do her homework until My hand falls off and I have to wish... er... upon a star for a new one!"

"I won't have stuff like that said about Vicky!" Said Timmy's mother. "She may have an appalling taste for clothes but at least she does her job, which is to babysit you!"

Just then a gruesome figure, with blood dripping from her fangs, and with a top hat and cape, stood in the doorway. It was vicky.

"Why are you dressed like that?" Asked Timmy's Dad. "Halloween isn't in 9 months!"

"Oh... of course it's not!" Said vicky innocently, taking off her cape, and revealed her appalling taste for clothing- she had a green shirt and black trousers.

"we're going to an italian resturant." Said Timmy's Mum. "We're going to order everything on the menu, and eat it all up!"

"how exciting," Said Vicky. Don't worry, I'll treat Timmy like My own flesh and blood!"

"Have fun you 2!" Said timmy's Dad.

Once Their car was out of sight, Vicky Shouted "GO TO BED!!!!!!!!!!!!!!!!!!!!!!!"

"But It's only 6:04!"

"Well It's 9:04 on the east coast!"

"Is this the east coast?"

"No, but we should all be fair!"

"In that case, you should be fair to me!"

"I am fair to you. You just aren't fair to me. you don't torture me. you should get your own back!"

"And I will!" Said Timmy under his breath.

2 - Disaster

He went upstairs to his room, where his fish were, but they aren't really fish. they're actually fairies!

"I've decided on something," Said Timmy. "I want to get revenge on Vicky, so I won't have to put up with her anymore!"

"What's the plan, Timmy?" Asked Cosmo.

"I wish that Vicky was in Australia, so I won't have to put up with her and her stupid torture programme!"

"Now, Timmy," Said Wanda, "We might need to be a bit more careful..."

"Done!" Said Cosmo, and he waved his wand.

and POOF! Vicky was in australia. She wouldn't be bossing Timmy about anymore.

"Thanks Guys!" Said Timmy. However, he wasn't going to be too happy about it. A little Fairy Assigner Popped up. Timmy's face fell.

"Right," He said. "I have a message for Cosmo and Wanda."

"I'm Cosmo and Wanda!" Said Cosmo.

"Okay, I have a message. Now that Your Fairy Godchild Is happy enough to live without godparents, We will have to give you a different Fairy godchild!"

"*What?*" gasped Timmy, Cosmo and Wanda Together.

"There's a sad little kid that needs a pair of Fairy Godparents!"

"Who's the sad little kid?" Asked Timmy.

"A little kid called Sally!" Said the assigner. "She's 8 and doesn't get along with her parents. She's always being bullied at school. She is one miserable kid!"

"Well, We want timmy!" Said Cosmo. "His hat is pink!"

"Do I bloody Care?" Asked the assigner. "You're going to leave this Timmy freakin' Turner alone and go and cheer up this damn girl whether you like it or not!"

Reluctantly, Cosmo and wanda Said "Goodbye," To Timmy, and Poofed away.

Timmy, still baffled, stared into nothingness, then stared at his empty goldfish bowl. He'd Just realised

what had happened.

3 - The journey begins.

"AAAAAAAAAAAAAAAAAAAAAAAAARRRRRRRRRRRRRRRRRRRRGGGGGGGGGGGGGGHHHHHHHHHHHHHH!!!!!!!!!!!!!!!!!!!!!!
" Cried Timmy. He now had no godparents at all. Timmy wondered what life would be like without fairy godparents... Mr. Crocker wouldn't be suspicious, because all his fairy tracking devices would say they had no fairies, but he wouldn't be able to make wishes, and even though he had no vicky, having Vicky and Fairies would be better than having niether.

Timmy decided that he needed to fly to australia. He found all the loose change he could find around the house. Of course, He couldn't pinch anything from Dad's wallet, because he had taken it to the italian resturant, or did he? Timmy looked, and He saw Dad's wallet, in His parents' room. You see, His Dad had pinched some money from Timmy's mum's wallet, and had left his wallet in his room.

Timmy took his wallet. When he would be re united with his fairy godparents, he could wish It never happened. He didn't live too far away from the dimmsdale airport. He was able to make a flight to Australia, with a fair handful of cash to spare.

The Flight lasted quite a while. He wasn't too happy with the food. In his opnion, it was similar to school dinners. The "Steak" was made of rubber, and the peas actually had food colouring on them to make them green.

4 - Arrival in australia

After hours of Tummyache and Vomitting, Timmy arrived in Australia. When he arrived, It was difficult to find Vicky, for all those Kangaroos. Not that vicky looked like a kangaroo, no matter what Timmy says.

Timmy thought He'd have to search the entire country, but he soon heard a voice.

"HELP! I'M BEING EATEN BY KANGAROOS!"

"That sounds like Vicky!" Said Timmy. "I gotta find her."

Soon enough, Timmy found Vicky, and Made sure that no Kangaroos ate her.

They reached the airport safely and got on a plane.

"Hopefully my plan is going to work!" Said Timmy. "If I get home and vicky is mean to me I'll have my fairy godparents back!"

"What?" Asked Vicky

"I didn't say anything." Said Timmy.

Timmy experienced even more horrid dinners and blurry Tellies showing more than one picture and blurry fuzzy sounds coming from its speakers. He couldn't even see it properly.

He spent a lot of time in the toilet. He was vomitting and doing number 2's for Hours on end.

5 - The final Chapter

Soon, the plane landed at Dimmsdale Airport, and Timmy and vicky, still trying hard not to be sick, got out. They went home.

"Well," Said Timmy, what are you going to say after all I have done?"

"GO TO BED!!!!" Replied Vicky. Timmy Sighed with relief.

Meanwhile, Where Sally lived, Cosmo and Wanda were sick to death with their new godchild. She had wished to rule the city.

"Today the city, Tomorrow, THE WORLD! MWAHAHAHAHAHA!!!"

Cosmo and Wanda had found out that She was One of those kids that the rule book had described as:

"Somebody who, if had the chance, would try to take over the world. please, If you have a godchild like this, call the fairy assigner."

Wanda and Cosmo decided that she was pretty happy anyway, now that she was ruling her home city. Wanda contacted the fairy assigner.

"What IS it?" He asked.

"It says in the rule book that we should contact you!" Replied Wanda.

"Ok, I'm coming!" Said the assigner.

"Eh?" Asked sally once the fairy assigner appeared. "What's he doing here?"

"He's here to sort you out!" Replied Wanda. You're happy and don't need us anymore. Besides, We've found somebody who's sadder than you..."

Wanda magiced the four of them to timmy's room. She Showed Timmy Sitting on his bed to Sally.

"See?" Said wanda. He's sadder than you."

"She's right!" Said the assigner.

"You are a miserable kid!" Said the assigner. "Miserable kid, Here are your fairies back. Cosmo and Wanda, Make him happy!"

He poofed away.

Sally was angry. "You haven't seen the last of me!" She said.

"I think I have!" Said Timmy. "Guys," He added, "I wish Sally was in Australia!"
