0 - Introduction and Information

This is MY story... I feel so betrayed right now and so hurt that I wanted to express it in a story.... This may also hav singing and crappy poems but bear with me... This is a TRUE story.... As my friend hurt me on two days ago... It really hurt and I wanted to express it the only way I really know how... And that's through writing and song.... Also there is an Icon so copy and past it to your profile if you have gone through the same thing or if you like this story..
