Chapter 1 - Good Deeds

2

1 - Good Deeds

Everyday on the news
All these different times
we hear stories of a kid's abuse
and all these different crimes

They tell you about
murder, death, and war
and people having doubts
about living anymore

But when someone chooses to help
and their blood they chose to share
and someones life was saved
because they chose to care

About them we never hear
they're never on the news
they won't even get a cheer
of the good deeds that they chose

But to have a little heart
could mean all the world
to someone who is dieing
who won't be around anymore

But if u choose to give,
even if you did yesterday,
a little kid might live
to see his next birthday

So go ahead and donate
that extra body part
when no awards await
have a little heart
