# 1 - Finding an Image

## Finding an Image

I'm sick of people telling me what to do;  
treating me like I'm still two.  
I know I'm still a teenager;  
but just give me some time,  
I want to find a moment that's mine.  
I want to find myself deep within my heart  
before I break down and fall apart.  
I look at my friends  
I get so frustrated;  
I feel lost, so different  
I feel like I'm hated.  
I can't expect anything positive towards me,  
because people always trying to be:  
the newest the latest, or what's cool;  
and when I don't catch up I feel like a fool.  
I'm not sure what's real,  
but when it comes down to me my image is stolen  
All the hurt and confusion I have to cover up  
because that is what everyone else would do.
