The Random MCR and AFI Fairy Tale Thingy

Once Upon a Time.....

there was a beautiful prncess name Frankie.He wasnt really a princess he was a prince...but he liked peopele calling him a princess...casue he could.Once day Frankie decided he would go for a walk through the village that his mommy and daddy ruled over.But his body gaurd Bob wouldnt let him.So when Bob wasnt looking Frankie hit him over the head with a tissue...It was a magical tissue so it hurt really bad and knocked poor bobels out.So Frankie escaped from the gaurd and skiped out of the castel.Frankie didnt realize where he was going and skipped into someone.Frankie and the person triped and they both went tumbling to the floor.When Frankie opens his eyes they meet with beatyfuil dark green eyes."Sorry"said Frankie as he helped up the boy.He had long shoulder length black hair,pale skin,and was a littel taller than Frankie.Frankie amditaly feel in love with this boy."So whats your name?"Frankie asked.

"Im Gerard."Smiled Gerard..becasue now we call him Gerard not the boy becasue we now know his name,hence we call him Gerard now,not the boy.But you probly already figured out it was Gerard from the discription and becasue i love frerard and would never make Gerard or Frankie love someone else.

Okay,so now that Frankie knew Gerards name he invited his new friend to the castel for dinner.Gerard acccepted the invitation and they both skiped there way to the castel...holding hands(awwies and how come all my storys have skipping in the?At least it dosen have Davey skipping after a bunny right?)On there way they saw a boy skipping after a bunny.Frankie and Gerard ran over to him and helped him catch the bunny."Thankies."squeaked the boy."Hee Hee your welcome."said Frankie.The boys introduced them selves.Frankie brought his new two friends back to the castel for dinner.
