1 - announcement

Blackkit woke up and stretched her paws and got ready for another day of ShadowClan fun. Getting to her paws, she quietly slinked out of the nursery, and watched the sun rise. "what'cha doin'?" a voice said from behind her, as her sister Aurorakit emerged from the nursery, falloed by her brother Darkkit. Blackkit sighed. "Theres no better place to watch a sun rise!" she mewed "yeah," Aurorakit meowed " 'cept in WindClan!" "agreed!" cried Darkkit. she spun arounded to face her littermates. "you two..... are so..... UNLOYAL!" "why should we be? mama said were leaving for windclan while the others wer at the gather-" "WHAT?!?" Blackkit interuppted her brother. "y-y-your kidding!!!!" "nope!" mewed Aurorakit happily "isn't it great! life on the open moor souds AWESOME!" "I cant belive you two!your not upset that were leaving?" the two kits shook their heads. "not even a little?" they shook their heads again. "but what about daddy? what about Grimstar?!?" "he had a prophicy. 'three kits of darkness, Blackness, and Aroma will travel to a windy place. there, they shall find their true destenies.' is'nt that amazing" "no....." "Kits! ohh kits! guess what were doing?" meowed Lavenderwhisker as she emerged from the nursery. "I already know," said Blackkit dryly as she padded toward the border. "were going to the place where I dont belong."

2 - WindClan apprentices

once they arrived in WindClan, Breezestar called for a clan meeting. Breezestar called the three newly arrived cats to the tall rock, for they were to become apprentices. "I call upon my warrior ancestors to look down upon these kits. They have waited long to learn your noble code, and I commend them to you as apprentices. Blackkit, Aurorakit, and Darkkit, do you promise to uphold the warrior code, and to protect and defend this clan, even at the cost of your life?" "I do." "I do." "I do." "Then by the power of StarClan, I give you your apprentice names. Blackkit, Darkkit, and Aurorakit, from this moment on, until you have earned your warrior name, you will be known as Blackpaw, Darkpaw, and Arurorapaw. We welcome you as full apprentices of WindClan. Blackpaw, your mentor will be Starwhisker." Blackpaw padded over to her mentor and touched noses. "Darkpaw, your mentor will be Coldstep. Arurorapaw, your mentor will be Brighteyes." Blackpaw watched as her littermates did the same as she had, and wished that her mentor could have been Rainheart, the cat she had looked up to for the last six moons. She sat there and remembered Tearkit, whom she would probably meet in battle someday. Looking up at her mentor, she thought *I guess it can't be too bad.... I hope.* Starwhisker looked down at her and purred, her blue eyes glistening as she did so. Blackpaw purred to, feeling a little more comfortable in her new home, knowing that her mentor would stand by her for the next six moons. "Teach me everything you know," she said to her. "I am eager to learn." Even though her mentor excited her, that did not mean the her new clanmates would.

3 - enemys within my own clan

Blackpaw always new that she wouldn't fit in, since the moment she discoverdshe was going to the place where she diddn't belong.she was watching the sunset when a cat named Cloverpaw padded up to her. "Hey, Blackpaw, dosse it hurt being so mousebrained?" "I am not mousebrained!" "sure you are, fox dung. all shadow clan cats are mosue brained. ecept my loved one. he's not mousebrained at all." "and who is he?" "I'm supriised you dont know! oh, darkpaw!!!!" Darkpaw padded up to Clover paw and licked her ear. "Hi cloverpaw." he purred. then he quickly glared at Blackapw and mewed: "sister." "whats up with you?" Blackpaw asked. "You" "me? what do you meen, me?????" " Cloverpaw said you called her a mousebrained fool and that I could do much better then her." "I did not!" Dakpaw looked at Cloverpaw confused. "Would I ever lie to you?" "No." Darkpaw replied and glared at Blackpaw. a group of apprentinces padded by and mumbled "look. there's Mousebrain." Blackpaw was hurt by their words. she ran over to Arurorapaw. "Eww!!!! get away from me!" "why?" "Cloverpaw said she saw you roll in fox dung!" "I did not!" just then CLOverpaw padded up to Aurorapaw and meowed: "would I ever lie to you???" "no. your my best friend!" "but I thought I was your best friend!" "not anymore, fox dung." "well," Blackpaw mewed, close to tears. "It sure feels wonderful to have enimmies within my own clan!" she blinked the tears away and hissed at them. as she passed the group of aprentinces she hissed at them. she did the same with Darkpaw. she kept on padding untill she reached a pool. she lapped the water from the pool and fell asleep. hen she awoke, she found herself sourrounded by starry cats. she was in starclan! one cat padded up to her. it was her father, grimstar. "Daddy? am I dead?" she mewed. "you are not," he replied. "I am." "no!" she cried out. "I have seen your trouble in your new home. I am glad you have come. I have a word of advise for you. purr, and the world purrs with you. hiss, and you hiss alone." Blackpaw jolted awake. she was no longer in starclan. she ran back to camp. she had to tell her mother! but then she relized.... she will find out tonight..... when she arrived back to camp, she slid in without anyone noticeing. she padded up to breezestar who was at the fresh kill pile. she dropped the plump freshkill down and looked at her. "may I go to the gathering?" breezestar nodded, after looking at the fresh kill that she had brought in. "go." she mumbled. "are darkpaw arurorapaw ad cloverpaw going?" "no. Moss paw heard them talking and reported it to me. they are confiend to camp for the next two moons. no one should be that rude to a clanmate." "ok." she padded up to moss paw. "thank you." "any time. do you wanna be friends?" "yeah." Blackpaw meowed greatfully. "that would be nice."

4 - a gathering mishap

So, Moss paw and Black paw made their way to the gathering. Black paw gasped when she saw the large amount of cats below her. "wow...." she meowed. Starwhisker padded up to her. "pretty amazing, huh?" "yeah...." "theres another kind of gathering, too." Starwhisker meowed, still watching the business of the cats below. "huh?" "it's called the day gathering. I'm sure youll do wonderful on the fighting challenge!" Black paw purred. even Dark paw and Aurorapaw were ipressed with her fighting moves. Clover paw was too. she had experinced it first hand while training. Moss paw padded up to her. "hey! are you comeing or what?" "I'm comeing!" as soon as the two apprentinces sat down, Shadowstar cleared his voice. "there has been a terrible tragity in shadowclan," he announced. " Grimstar is dead." Black paw glanced at Lavenderwhisker, who was slowly backing away, tears in her eyes. "How?" Black paw shouted out. "because I KILLED HIM!" Blackpaws eyes widend. cats everywhere including shadowclan ran about, all trying to get away. "STOP!" he shouted. everyone frove as they turned around. Shadowstar had climbed up a tree with an apprentince. not just any apprentince but Black paw herself. she sqwermed, mind raceing. "HELP!" she cried. "I'll drop her if anyone moves." Lavenderwhisker's eyes widend. "MY KIT!" she cried and lunged foward. suddenly Black paw felt herself falling..... falling....

All of a sudden in a flash, she felt herself on another cats back. she looked at the cat who has saved her life. it was one other then Moss paw!

5 - Moss paw's reward

Once they had returned home, Breezestar called for a clan meeting. she looked down at Moss paw and meowed: "I call upon our warrior ancestors to look down upon this apprentice. She has trained hard to learn your noble code, and I commend her to you as a warrior in her turn. Moss paw, do you promise to uphold the warrior code, and to protect and defend this clan, even at the cost of your life?" "I do." "Then by the power of StarClan, I give you your warrior name. Moss paw, from this moment on, you will be known as Mossears. We welcome you as a full warrior of WindClan." the whole clan cheered. "MOSSEARS! MOSSEARS!" Black paw congratulated her friend. "yay! thank you so much!" "no problem!" Mossears meowed. "thats what friends do." For once, Black paw finally felt as if she belonged in this clan. "Look! there she is!" Aruorapaw cried, and bounded over to her followed closely by Dark paw, who then meowed "thank StarClan your safe!" "so, you dont belive Clover paw?" "dose it really matter?" "no, I guess not, but I thought you loved her!" "I do." "then...." "she admitted." "oh." She purred, surrounded by friends and her littermates. but the peaceful moment was interrupted by a loud battle cry. Black paw and the others looked up. "Great StarClan! ShadowClan is attacking our camp!" Clover paw cried. all four apprentices got to their paws and prepared for the worst. Black paw charged as soon as she saw Shadowstar, she ran right toward him. "I'll distroy you!" she screeched as she lept on his back. Dark paw and aruorapaw lept on too, followed by clover paw. Sadowstar managed to knock down aruorapaw and bit down on her throat. he shook her and threw her to the side, where she lay motionless. "NO!" Cried Black paw. she lept dow from his back and clawed his eyes ferociously. he stepped backwards as Black paw raked her claws against his side. Shadowstar then pinned her down. she took her hind legs and raked her claws on his underbelly. Black paw leaped up and scratched his face and ears. "I'll distroy you! she screeched again, and shadowstar knew she ment it. she finally stopped clawing in the center of camp. everyones attention, even tha shadowclan cats was toward her and shadowstar. he weakly got to his paws. "Get out." Black paw meowed. shadowstar looked at her and then his cats. he turned his back. he padded back and his cats followed. once all was calm, she raced over to aruorapaw. "can you hear me?" aruorapaw? still, she lay motionless. she turned and announced: "she's gone to hunt with starclan...." Dark paw hung his head. breezestar lept to the tall rock. "Cats of all ages..." she meowed. "I think it is time that Black paw recived her warrior name." the rest of the cats nodded. "I call my warrior ancestors to look down on this apprentice. she has trained hard in your noble code, and I commend her to you as a warrior in her turn. she has done great things for our clan, who was once thought of as week. she has endured moveing to a whole new clan. she is a great cat to be made into a great warrior. Black paw, do you promise to uphold the warrior code, even at the cost of your life?" "I do." "then, by the power of starclan, I give you your warrior name. Black paw, from this moment on, you will be known as Blackwind. we welcome you as a full apprentice of WindClan." "BLACKWIND BLACKWID!" the clan cheered. Blackwind looked proudly at her brother, who still had alot to learn. she purred. "tonigh you shall sit a silent vigel. as Blackwind sat there, looking at the sunrise the next day, she thought well, here I am.... in the place where I truly do belong.

"Purr, and the world purrs with you. Hiss, and you hiss alone."

~Blackwind of WindClan

6 - Epolaugé

Blackwind rushed into the nursery, full speed. She congratulated Darklight and Cloverleaf then looked at her little niece and nephews. "what are their names?" "the bigger tom is Daggerkit. The smaller tom is Rockkit. And the smallest... the she-cat," Balckwind looked at her. "Is Arourakit." "I think those are great names." she purred. "I realy do."
