Chapter 1 - I will love you forever

2

1 - I will love you forever

You were the one, who saved me from all my fears,
But my face is still full of tears,

I knew you loved me oh so dear,
Even through all of these years,

But you should know that I didn't cry for you,
I cried for myself because I knew my heart would be broken by you,

I was warned, but I did not listen,
You were the one I loved, I couldn't hurt you,
I knew that one day you would betray me,
But I never thought it would have been today,
My heart will go on,
But my heart will be gone,

And in the depths of my soul I will cry; for you are the one I will love
Forever!
