Chapter 1 - Bring to life

2

1 - Bring to life

I see you waiting, always waiting for someone to bring you to life,

I was waiting just like you were waiting, but I was alive,

All these words going thoughts were going through my head,
I didn't know if I should save you or let you die,

But I decided to save you for I was just like you once,
And so my life with you begins!
