1 - This is only a dream...

In every dream,
I dream of only you,

You're loving eyes always looking into mine,
All my dreams are breathe taking,
Breathe taking to me,
Not to all,

Although I never speak your name,
And you never mine,
We know each other every time,

In my dream I'm never alone,
Your always their,
Tall and bold,

Were never apart,
No not even one single second,

Our hands together,
But our lives apart,
Our lips touching,
But in love were not,

This is only a dream,
Yes wonderful indeed,
But I know we could never be in love,
While were both alive...
