1 - It was supposed to be love not hate

When our eyes first meet,
It was love we both saw in each other,

Everything went good,
But only if the others understood,
I loved you,
It's no lie!

So then why did you tell me to rote in hell and die?

I just wanted to cry,
After you said that horrible good bye,

This day I will never forget,
Although it is hard for me not to cry every time I see you,
I guess I should've just died,

I just want you to understand how I feel,
I'm happy in ways,
But sad in more,
I've learned to not give myself to you or anyone who will take me,
But I wish that we could be...

In love for all eternity
