Chapter 1 - You laugh, I cry, and then you should die

2

1 - You laugh, I cry, and then you should die

You asked me out for a cup of coffee,
Even though I hate coffee I said okay,
Just to make your day,

It went pretty good,
Next time just don't act all gay,
That's all I have to say,
My sweet baby, babe

Next you drove me home,
To my wooden dome,

Then you laughed at my ugly house,
And left when you saw my dad in my moms blouse,

But that part of the day wasn't okay,
You made me cry for the rest of the god damn day.
