## 1 - Poor Sakura

Sakura laid in the grass in front of her house.

" Hey. You okay?" She heard someone ask her.

It was Ino. Sakura sit up. " Yeah. Sasuke is coming over tonight."

It had been three years since Sasuke came back to the village

He and Sakura did try to be in a relationship but it did not workout.

" To see your sister?"

"Yeah"

Shortly after things did not work out between Sakura and Sasuke, he start to date her older sister Maya.

" I am sorry hon."

Sakura was not even sure why it bugged her but it did.

"It's fine."

Ino hugged her and told her to keep her head up then left.

Sakura sat there alone, thinking about everything that happen the last years.

The person she loved for so many years who she thought that would make her happy was not that.

Did she miss the person who was that for her?

Was she blind by what she thought was love?

It not that she did not love Sasuke but it was the same kind of love she had for Naruto and Rock Lee.

She was so deep in thought see did not her some one be hide her.

"Yo."
