## 1 - My wish my hope my dream (poem)

I wish you were here  
to look at the stars with me  
I wish you were here  
so i can kiss you so sweetly  
I wish you were here  
so I could love you completely  
I wish you were here  
to dream with me  
I wish you were here  
to see me smile  
I wish you were here  
to go together every mile  
I wish you were here  
so we could just sit a while  
I hope you can see  
that you make me happy  
I hope you can see  
that you make me laugh  
I hope you know  
you make my heart beat fast  
I hope you believe  
i will be here for you until the last  
I hope you think  
i will never leave you  
I want you to know  
what i say is true  
and that without you  
i am blue  
I hope you can see  
you gave me life  
I hope you can see  
that you gave me hope  
I hope you see  
that you gave me  
all my hopes, wishes and dreams.  
For my last wish  
and my last hope  
for my one dream  
i wish could come true  
is that I want you to know  
I will always love you
