# 1 - the mysterious porthole

## THE MYSTERIOUS PORTHOLE

One day Yugi and serenity were walking to the park when, all of a sudden Yugi got sucked into a pothole. Serenity ran for her life. She was still going to help him. She ran to a lab and grabbed a laptop. Typed in a website address and she knew how to save Yugi. She typed in this code 918 king magician past 819. This was the dragon her and

Yugi defeated years ago but he did not die. The code opens a porthole so Yugi could clime back into this world from. The code meant the king magician who lived in the past. The numbe5rs stood to open the porthole.
