umm a little more serious then the title suggests but its still a deadpool story so it is pretty silly.

Wade and logan paired together on an assignment during weapon x days.

0 - pro-logue

I'm the best at what i do, but most suckers is dead before they learn that. I've got a lot of stuff locked up here in my head, most of it i'm glad is locked away. but i remember that loudmouth,clear as day,Deadpool was what he called himself, even before he got his "powers". that idiot was likely to screw up any mission if he thought it would be funny. almost gutted him a coupla times. Good fighter, unpredictable, but incredibly stupid. I remember this one time...
aw logan. you getting sentimental on me?

What are you doing here you..

Awesome partner?

I was going to say idiot

come on you know you love me

Just get out of here before you do something...

nothings gonna happen.

(he takes out a gun)

watch. i'll even put my safety on so i don't accidentally shoot you like last time.

(gun goes off)

(deadpool looks around, notices logan bleeding)

oops.

Get out!

Okay, i'll go if you tell em about that time you and i really were awesome partners!

who are you talking about?!

Oh right, i'm the only one who knows this aint real, how about i start

1 - Saving Private Victor

So it was a dark and stormy night right? And Logan and I had to like rescue that hairy guy... I mean hairier. "Don't argue with ME!!!"

Who are you talking to?

What? I said that out loud?

Stop acting so crazy you stupid !@\$#@

Hey Logan that's not nice.

Just hurry up and tell the story so I can get rid of you!

Right, now where was I again?

We were going to get victor...

Oh yeah, Why's he so gay for you dude

What!?

He's always sniffing you and beating up your girlfriends and fighting you with his shirt off... and I don't think that wife beater does much to discourage him either..

He's my BROTHER!!!

Wow, that's not just gay it's gross!

He's not gay!

How do you know hmm?

Wade! If you say one more thing about that I will cut your god damn head off!

It didn't work before

When have I cut your head off before?

Didn't you see the movie?

What the hell are you talking about?

You guys saw it, it was pretty crappy right?

Are you talking to me?

No, I'm breaking the fourth W... never mind

If you won't tell the story I will. So Wade and I were assigned to retrieve victor after he was captured in Nam. We entered into the camp and took out the main forces. Got victor and were about to leave and.. I can't remember what happened after that.

Oh I just saved your guys life because we were surrounded by the VC.
Yeah? How did you save us?

Well we were a bit too weary to fight so I just detonated the bomb in my stomach.

You didn't have healing back then, that didn't happen!

Oh yeah, you're right. It was in your stomach!

Wait.. What?

Check your stomach, I bet you still got the scar

I always thought I got this from.. you idiot! You blew me up you crazy!!!

Ahhhh crap, here comes berserker rage, well that's all folks I've got to run

The End, For now!{/b}
