Hunter was someone who got his eye almost gouge out by something or someone. He was the type to really piss some people off, but, he was a friend. This poem is Dedicated to you Hunter, for helping me open my eyes.

Chapter 1 - Hunter

1 - Hunter

Hunter

Somehow I'm right

Following behind you,

Looking up to you,

As if I'm not real,

Only a piece of your mind,

A shadow of you,

A mirror

A mirror image of who you used to be.

All along I was a lie,

I had my eyes closed

I didn't know

I never said bye,

You were never there,

I was lost,

And now your found,

You tell me stories

Of Chaos,

Are you that naïve?

You were telling me

All along weren't you,

The truth is out there

You were blind

You helped me see the path

Before I crashed,

Before I died.
