Chapter 1 - Disappear, My love...

1 - Disappear, My love...

I close my eyes

and join you,

I breathe no more,

And join you...

I die and open my eyes

sadness, I reappear

Into reality...

The happiness fades away...

I count the moments

until I see you again,

I hear your heart beat throughout the day,

I know you whisper to me...

Tell me secrets...

Days until I see your

Haunting face...

I hold my emotion in

before you...

If only I could scream...

If only I could Disappear.
