I wrote this one Last night... It was really touching because of the story behind it.

Chapter 1 - Crash

1 - Crash

30,000 Feet of fear,
Let the angels guide
Me now,
Climb no more,
As we begin to crash...

30,000 fall of fear,
Brother I'm right behind you.
Only God can tell,
We begin to stop,
We begin to crash...

30,000 moments of fear
My soul begins to lag behind,
The rains pour down,
The lights flicker,
We begin to crash,
The angels lift us up,
The angels lifted us up.
