**Chapter 1 - Love**

**2**

# 1 - Love

How do I know It's you,

Laying beside me

In my own bed,

I feel you,

But I open eyes

and noones there...

I see your face

And sorrow fills me,

How can I not cry...

When you obsess me

Like the way you

Control me...

I saw your face,

I felt your soul,

And then I knew,

I believe in us,

Though, I don't know you, Love.....

To me, your my angel..

But to the world,

Your only a ghost...

Only a ghost...

Just a mockery...

If I could graze your hair

with my hand,

If only I could kiss you...

Why do I miss you so much?

Why can't I stop from

being possessed by you...

Just like you possess me...

If only I could tell you.

If only I could tell you I love you.....
