This is based upon this kid who obsessed over me to the point I couldnt turn around without busting my lip on his boney head...

Chapter 1 - Stalker

1 - Stalker

I hide away from you...
I bleed all alone because of you.....
If only I could run,
But you are the cage,
And I am the beast.
I would escape
But you lock me
Deep within myself.

I can't walk out,
For you would drown me.
I would fall,
And you would pull me under.
You are the water,
And the water is above my head.

I meet your face
And draw my last breath.
The water fills my heart...
Do you know how
You are killing me?
Your words are wounds-
and I'm about to bleed to death...
If I look deep into the water,
The reflections haunts me...
FOR I SEE YOUR FACE!!!

You mirror me,
And I can't take it..
Your thoughts strangle me...
Your image stabs deep into me,
I act so silently,
I know you will catch me
I can't breathe or you will steal me...
My will is just to weak.

My anger torches you,
But you still comeback...
Why can't you leave me be...
Your stench violates me..
Your stories rape me
My fears come true as you

Make me pour rubescent fear,
At night your emotions
Consume my soul...

Your scrutiny shadows me,
Your patronizing eyes freeze me...
My sick thoughts of you possess me.
Why can't I dissappear
And be in peice,
Away from you...
