*OMG this is one of the wierdest, yet, questioning titles I have ever came up with...*

**Chapter 1 - Fence Post**

**2**

# 1 - Fence Post

I sit upon the fence post.  
Will I fall back and be with you?  
Or will I be ripped from your arms?  
I decide where I go-  
But who can decide how I get there?

I fear for you, Dearest love  
But I can't save you, now.  
If only I know, but I don't.  
As if I'm blind- but I'm not.  
As if I can only see you face...  
I know I can't, but still I will try...

I want to be with you,  
But I know hearts can break  
And they break so easily...  
What if I loose you, Dearest love...  
Loose all of you, I'm afraid...  
Would you climb to be with me?  
So we can cry togethor-  
Fueled by fear, fence post...

Maybe we can hide from it all,  
And be in sweet sanctuary, a refuge from reality,  
Towering above us all, Let me go and let me fall,  
Jump after me to catch me,  
And then maybe we can be togethor.  
In our own little world, away from everything...  
Then we can heal, All alone..
