Cinderpaw- HUH HUF PUF. Fire...heart...slow..do..wn...a...little..pl...ease...

\*Fireheart looks behind him, at Cinderpaw\*

Fireheart- Well its not my fault your leg is crippled because you foolishly charged into the Thunder-  
\*BAMMMMMM\* (Fireheart rammed his head into a tree and got knocked out) (never look behind you while you are running Fireheart!!!)

Cinderpaw- \*Finally gets over to Fireheart\* hah, he deserved that! Whats that? \*peers at a pink thing next to Fireheart\* Yuck its all gooey and slippery.

\*Bluestar comes racing to the scene\*

Bluestar- OH NO!!

Bluestar- HIS BRAIN FELL OUT!!!

Cinderpaw- OH MY GOD!! HELP ME STUFF IT BACK IN!!!

Bluestar- It'll do no good, I've seen this before...

Cinderpaw- .....sooooo, what do we do now.....?

Bluestar- I say we just quietly stalk away and pretend nothing happened..

Cinderpaw- agreed! Lets get out of here!

-later-

Bluestar- Bluester?! BlueSTAR!! The nursery, why, your a TOM!

Fireheart- I am pregnant with Tigerclaw's kits of course! He said something about it was a way to show 'dominance' or something, but I didn't know he liked me so much, and I know realize I love him too!!

Bluestar- \*twitches her eye\* yeah, whatever.....

Graystripe- Congratulations, Fireheart, your first litter, they'll be adorable!!!

Yellowfang- Fireheart can you come in my den for a moment please?

Yellowfang- \*puts a paw on Firehearts belly\* OH MY GOD!!

Fireheart- WHAT IS IT? ARE MY DARLING BABIES OKAY?!

Yellowfang- ITS TRUE!! FIREHEART IS PREGNANT!!! \*faints\*

Fireheart- \*spreads the word around that he is pregnant and Yellowfang confirmed it\* Well if anyone needs me, I'll be in the nursery, oh and could someone tell my sexy beast Tigerclaw, that I'm going to have kits?

Tigerclaw- Yeah I better take him back to ThunderClan camp NOW. See you soon!

Fireheart- TIGERCLAW, DID YOU JUST--?! OH NO, YOU DIDN'T!

Tigerclaw- Wha?

Fireheart- Your cheating on me! Nighstar! Trying to steal my sexy man huh?

Dustpelt- But didn't you see Tawnykit?

Tigerclaw- omg, yeah, a little baby kit will rule the world along with her two pitiful minions! I'm SURE!  
-\_\_-

Bluestar- That's ENOUGH! Tigerclaw, Whitestorm, and Mousefur, in my den now, we have matters to discuss about the infected zombies and building a refuge camp!

-later, in Bluestar's den-

Bluestar- Right, so we have it all figured out, Tigerclaw, you'll be in charge of getting the Rocket launchers, Snipers, etc! Whitestorm, you'll build up the refuge camp with the other Warriors and Mousefur, you spread the lies we made up to hopefully but probably not comfort our clan about the Infected!

Tigerclaw- MWAHAHAHA!! ROCKET LAUNCHERS HERE COMES PAPA!!!

Whitestorm- O\_O Yeah I'll go get several warriors for the refuge camp.

Tigerclaw- Oh, I'll take Darkstripe and Dustpelt with me to get the ROCKET LAUNCHERS!!!! >:]

-Tigerclaw, Whitestorm, and Mousefur slip out of the den and head to there work-

Mousefur- Hey Willowpelt, did you know the infected will stop at nothing to take over the world? :D

Willowpelt- AHHHHHHHHHHHHH!!!

-----  
Meanwhile things weren't going too well with Whitestorm either.....

Whitestorm- Brightpaw, Goldenflower, Speckletail, Swiftpaw, and Cloudpaw come with me to build out refuge camp!!

All cats- What? O\_o

Whitestorm- I'll explain later, just hurry up the zombies could be here at any minute!

Darkstripe- blah blah blah blah

Dustpelt- \*rolls eyes at Tigerclaw\*

-----  
Let's see how Tawnykit's reign of terror is going....

--just after they have infected Blackfoot, the lookout--

Tawnykit- Okay Blackfoot we need some more catnip, where can we get it?

Blackfoot- It be tis' way, master. \*leads them to a HUGE field of catnip only a few yards away\*

Tawnykit- YESSSS, Very goooooood, YESSSSSSSSSSSSSSSSSSSSSSSSSSSS!!!

-once all their jaws were full of catnip they headed to ShadowClan camp-

Nightstar- Greetings Tawnykit, I see you brought your mother...and father?! What did I tell you, you filthy bundle of fox dung?!

Brindleface- It's too late, he is already Infected, and you will be too! \*evil smile\*

Longtail- \*leaps at Cedarheart but Cedarheart dodges only to fall into the paws of Brindleface\*

\*Nightstar sits up, his face expressionless\*

Tawnykit- As long as we have Nightstar, it will be too easy to infect his clan! BWAHAHAHAHAHAHA!  
HAHAHAHAHA HAHAHA!

## 5 - Fireheart will save our clan?!

--As we come in ThunderClan camp, we can see Mousefur is gathering a crowd to tell her rumors to--

Mousefur- Gather 'round, Gather 'round youngsters! I, in my many millions of years that I have lived know much about the great zombies!

Firekit- You have lived millions of years?! WOAH! Are you rotting from your insides?!

Bramblekit- AHHHHHH, SHE IZ ROTTIN FROM ZE INSIDEZ OF ER!!! SHE IZ A ZOMBIE!!!!

Tigerclaw- NEVER FEAR TIGERCLAW IS HERE!!! \*Tigerclaw bolts up to Fireheart and snatches the rocketlauncher\*

-----  
(Mousefur is kinda talking to herself, I guess that's what you call it XD)

Mousefur- OH NO! What if I am a zombie?! Of course you are!! MWAHAHAHAHA!!! No I can't be!! How do you explain rotting from the inside and still living? Can't you see its growing contagious? You must go see Tawnykit immediately!

\*Mousefur scrambles off to ShadowClan with her zombie contagiousness\*

-----  
Let's see how the refuge camp is going-

Goldenflower- So where are we going to put the camp?

All refuge builders- \*stare at Whitestorm\* .....

Whitestorm- What?! Oh did you say something? Sorry I was just staring at this flower.....

Goldenflower- A FLOWER? Aren't there more important things going on?!

Whitestorm- Well someone is having a fit! And no I don't recall anything important goin' on!

Brightpaw- I'm sorry Goldenflower, Whitestorm is suffering of a rare thing that happens to old cats like Whitestorm called I-can't-remember-what-happened-five-minutes-ago. It is not contagious but it means he can't remember what happened five minutes ago, every five minutes he forgets what he is doing.

Cloudpaw- ROFL!!! (ROFL- Rolling on the floor laughing)

Goldenflower- Did Bluestar know this?

Brightpaw- She had to have!

Goldenflower- I'M GONNA MAUL YOU BLUESTAR! WAIT TILL I SEE YOU, YOU'LL WISH YOU'D NEVER BEEN KITTED!! I'LL SET FIRE ON YOUR HEART! AND THEN TIGERCLAW WILL SAVE OUR CLAN FROM YOU!!!.....

-----  
Bluestar- \*looks up at the sky\*

Runningwind- What is it? Is StarClan speaking to you?

Bluestar- I think so, They are speaking very quietly though

Willowpelt- What are they saying?

Bluestar- Somthing about me wait something about kitting? Wait, Fireheart will save our Clan?! (Bluestar is hearing Goldenflowers yelling in the distance but can't hear it very well because she is far away)

Darkstripe- StarClan is having a mental breakdown! IT'S THE END OF US!

-----  
Tawnykit- Now Nightstar, I want you to ask your warriors, individually to come in your den, Blackfoot and Cedarheart will guard then entrance and I will be in your den with you. Brindleface and Longtail will guard the entrance to camp just in case a cat is coming back from hunting or something. Now does everyone have catnip at the ready?

All zombies- Yes master

--Mousefur comes rushing to the scene--

Tawnykit- GET HER!

Mousefur- Wait I'm on your side! I caught the zombie already, it's contagious you know!

Tawnykit- Contagious or not I can't trust you.....

\*Longtail pounces on Mousefur and shoves catnip down her throat\*

Tawnykit- There NOW I can trust you, Mousefur you will help Longtail and Brindleface guard the entrance\* Now Nightstar let the zombiefying BEGIN!!!! MWAHAHAHAHAHAHA--\*ack cough cough, pooh\* eh hairball sorry! Anyway lets go!

Swiftpaw- Oh boy \*rolls eyes\*

Goldenflower- I shall be the new refuge camp director! And we will have an awesome refuge camp faster than a pickle can say apple pie!

Brightpaw- Mistress Goldenflower, I am sorry to announce this but Bluestar appointed WHITESTORM for this job, NOT you.

Goldenflower- I thought I told you to shut it -\_-

Speckletail- Well I AM a senior Warrior, I shall appoint you new camp director; I the old, rude, bossy, senior Warrior, announce that this other senior Warrior, Whitestorm, is too stupid to lead this activity, so I appoint Goldenflower, new camp director! ^\_^

Swiftpaw- But Whitestorm had also said that we would have an awesome refuge camp faster than a pickle can say apple pie! D:

Goldenflower- Hey, I'm your mother and I'm in charge here, I copy whoever I want! >:]

-----  
-ShadowClan has all been infected, so let's see what they are planning-

Tawnykit- As I have learned, after you have taken 10 doses of catnip, you are PERMANENTLY Zombiefied!! The foolish cats in the other three clans cannot stop us now! >:D

Nightstar- Tawnykit but--

Tawnykit- SILENCE!!! NO INTERRUPTING ME!! And from now on I will be referred to as TawnySTAR >:D As for you Nightstar, you shall give up you leadery name and be known as Nightpelt! >:[

Nightpelt- Yes master, Tawnystar. =[

Tawnystar- Now at our victory will be swift, the cat nip is contagious, we live forever, and can't be killed! It's eaisyer than saying Cream Apple Pickle Pie! Our victory will be great! We, ShadowClan, shall RULE THE FOREST!!!!!!

\*All Zombie cat's yowl in victory\*

Tawnystar- AND I'd like to appoint a new deputy! As my first Zombie companion, Brindleface, will be deputy!

Brindleface- Thank you master, Tawnystar!

Cedarheart- Master, Tawnystar, when does the great battle begin?

Tawnystar- Three days Cedarheart, Three days to prepare for the biggest war of History, one which the Zombies WILL NO FAIL!!!!!! We will never fall again.....

TO BE CONTINUED...
