1 - Addiction!

Okay so I'm really bored so thats why I'm writing this -.-; It's also like, almost time for me to go to bed so like, this is prolly gonna be short...

-
- 1)You try to fly an oar.
 - 2)You dye your hair the color of your favorite character's.
 - 3)You have every YYH item there is.
 - 4)You actually look forward to death.
 - 5)Your family and friends can now follow the entire plot of YYH because of you.
 - 6)You name your pet bird Puu.
 - 7)You sew plushies of the characters.
 - 8)You've seen every episode but you still watch it with as much interest as you did the first time you watched it.
 - 9)You can draw each character perfectly.
 - 10)You can imitate each character's voice perfectly.
 - 11)You figured out that you can actually use a spirit gun if you concentrate hard enough...or maybe that's just a hallucination from staying up so late watching YYH DVDs...oh well...

That's all I can think of for now ^^;

2 - And more...

- 12) All you draw is YYH, YYH, and more YYH.
- 13) You go to yaoi websites just to find pictures of your fave character(s)... then flame the creator of course
- 14) You squeak whenever your fave character comes on the screen.
- 15) Your new nickname is squeaky.
- 16) You go to a tattoo place and ask them to tattoo a dragon on your right arm
- 17) You call up the surgeon and ask if you can have a Jagan implanted in your forehead
- 18) You go to the tailorshop and ask the tailor to make replicas of all the characters' clothes
- 19) You put on fake fox ears.... and steal your friend's wallet.
- 20) You try to get your hair to spike like Hiei's
- 21) 4 hours and 20 bottles of hair gel later, you actually get your hair to spike like Hiei's.
- 22) It's been a while since you have seen an episode, but you remember every single detail like you saw one yesterday.
- 23) You put flowers in your hair.
- 24) You buy a gun and claim you got it from Sniper.
- 25) You see a little boy with brown hair and shout "GAME MASTER!"
- 26) Whenever you see a toddler/teenager you ask if they're Koenma.
- 27) You jump into the middle of traffic and try to get hit by a car.
- 28) After you get hit you become unconscious, but claim you died and you met Botan and Koenma.
- 29) You find an egg and keep it, hoping it hatches into a spirit beast.
- 30) Whenever the wind blows, you can often be heard muttering something about Jin.
- 31) You know every single episode word for word but are still surprised when something happens (thanks Lauren for this one!)
