1 - Singer Kagome- Break My Heart

It was a boring day at the Fuedal Era. Kagome hasn't been there for a week. No jewel shards were found, and no trace of Naraku anywhere. The Inu gang sat by the Bone Eaters Well, staring off into space. Inu-Yasha's leg twitched impatiently and he stood up.

"God, I'm sick of waiting for her!" Inu-Yasha snapped, heading towards the well. "I'm going to get her!" Miroku stood up. "Wait Inu-Yasha. Lady Kagome said she didn't want you to go chasing after her."

"I don't care," Inu-Yasha grunted. "I'm going anyway!"

"Don't Inu-Yasha!" Shippo scampered after the dog-demon. "Kagome doesn't want to be bothered, so leave her alone!" Inu-Yasha ignored him and got ready to jump into the well. Shippo caught up and attached himself to Inu-Yasha's leg. The kitsune's impact made Inu-Yasha lose his balance, and they both went plummeting into the well. Miroku and Sango quickly got up and looked down the well. The kitsune and dog-demon were gone.

"SHIPPO! INU-YASHA!" Sango yelled into the well, her voice echoing within it.

Miroku eyed the well for a moment. "I thought only Lady Kagome and Inu-Yasha can go down the well.." Saying this, he started to grope Sango gently.

"HENTAI!" Sango yelled, cracking her hand against Miroku's cheek. The slap had so much force, it made Miroku stumble backwards, into the well. He grabbed Sango and she went falling down with him.

When the demon slayer and monk landed at the bottom, they landed beside Shippo and Inu-Yasha. They all looked around, confused.

"Where are we?" asked Sango, sitting up slowly.

Inu-Yasha sniffed the air. "We're in Kagome's time."

"So we can go down the well too!" Shippo beamed.

Inu-Yasha jumped up the well, looking around. "Yep, we're definatly in Kagome's time."

Shippo jumped up too, while Sango and Miroku climbed up the ladder in the well.

Inu-Yasha started to walk outside of the well-house. "C'mon. We need to find Kagome."

So they all went outside and followed Inu-Yasha as he walked on, sniffing the air for Kagome's scent. They travelled through the city, not bothering to notice the people who were staring at them. A little kid walked by them, clutching onto his mother's hand. He noticed Shippo's poofy tail, and he stared at Shippo for a moment. Shippo stared back at him. The kid had orangish brown hair, and big blue eyes. He wore a light blue shirt with leaves on it, and dark blue pants. They both had eye contact for a couple of seconds, before Shippo quickened his pace, catching up with the others. They finally stopped at a big building, that had a huge cardboard sign that had words on it. In chalk, it said:

KAREOKE BAR

1:00-12:00

Higarashi Kagome

Putting on a show with lots of songs

They all stared at the sign for a second, before actually understanding.

"What's a karaoke bar?" Shippo asked.

Sango looked up at the building. "This building is one, I guess."

"Well, who cares? We know that Kagome is here," Inu-Yasha grunted. He stomped into the bar and he stopped right in his tracks when he looked on the stage.

On the stage was Kagome. She wore a sleeveless red dress, dancing across the stage, giving out flirty winks, singing. The others walked in after Inu-Yasha and they noticed Kagome also.

"Woah," was the only thing Shippo could say. They all stared at Kagome.

A guy in a tuxedo came over to them.

"Would you like a table?" he asked them.

Inu-Yasha nodded slightly, his eyes glued on Kagome. The man lead them to a table close to the stage. Kagome danced around the stage, and out of the corner of her eye she thought she saw Inu-Yasha and the others. She shook her head and kept on singing. But when Kagome walked over to that spot again, she them. Fully. They were staring at her in awe. The middle-schooler's eyes widened as she singed. Shippo noticed her looking at them and he waved at her. Suddenly, Inu-Yasha's nose picked up a scent. It was the scent of...wolves. He looked over to the door, and there was Koga. Standing there, giving Kagome the same look that the dog-demon did.

How the hell did he get here?! Inu-Yasha thought.

Koga walked over to their table, still gawking at Kagome.

"Isn't my woman hot?" Koga asked, not even noticing the dog demon.

"Your woman!?" Inu-Yasha snapped, standing up and glaring at Koga.

Koga stared at him, his eyes glowering. "What are you doing here, mutt-face?"

Inu-Yasha was about to come up with a come-back when Kagome started speaking.

"This next song, is deticated to someone special to me," Kagome spoke into the mike, looking at where Inu-Yasha and Koga were.

"I bet it's dedicated to me," Koga beamed, grinning wide at Kagome.

"Bastard," Inu-Yasha muttered under his breath.

A hard beat started as Kagome got ready to sing. She took one last glance at Koga and Inu-Yasha, before singing.

Someone always gets their hearts stomped to the ground
This is what I see every time I look around
I never thought that this would happen to me
I never thought I'd end up this way

And now that you're through with me
Don't know what to do with me
I guess I'm my own again
Like I'm some kind of enemy
Never a friend to me

Remember when you used to say
Things will always be this way

Koga thought for a second. "Um, I think this song is for you," he said, gesturing towards Inu-Yasha.

Why don't you, break my heart

Watch me fall apart you see

I'm falling apart, look what you're doing to me

"I think so too," said Miroku.

The dog demon glared at him, but Miroku ignored him.

"Well, Koga does have a point," Sango stated. "When she left, she caught you and Kikyo kissing."

Now I'm trying to get my heart up off the ground

My confidence is gone

Happiness can not be found

So look what you did to me

You got the best of me

And now I'm stuck with all the rest

It will never be the same

Why don't you, break my heart

Watch me fall apart you see

I'm falling apart, look what you're doing to me

Break my heart

Watch me fall apart you see

I'm falling apart, look what you're doing to me

The hard part started, and Kagome sang out with all her heart.

All I ever wanted

Has left me standing here alone

It started with you and ended with me

All I ever needed

I had it with you in my arms
It started with you and ended with me

Break my heart
Watch me fall apart you see
I'm falling apart, look what you're doing to me

Why don't you, break my heart
Watch me fall apart you see
I'm falling apart, look what you're doing to me

Why don't you, break my heart
Watch me fall apart you see
I'm falling apart, look what you're doing to me

Why don't you, break my heart
Break my heart
Break my heart
Break my heart
Break my heart
Break my heart
Break my heart

The song ended, and the crowd went crazy, clapping, cheering, and yelling. Koga grinned at the spirited-crushed dog demon.

"Well, I've got to go," he beamed. "See ya, dog crap." The wolf got up and walked out of the bar. Inu-Yasha also got up.

"Where are you going?" Shippo asked, still clapping for Kagome.

Inu-Yasha didn't answer, he just headed towards the door. Kagome noticed him leaving.

Oh no! Inu-Yasha thinks that the song was for him! It was for...someone else! I have to get him to stay!

Kagome thought paincly. Suddenly, she got an idea.

"This song that I'm going to sing," she started, "is also dicated to someone. It's for someone reall special to me... Someone who I love... This is for... Inu-Yasha."

2 - True Feelings- Now you know

Inu-Yasha froze at his name. He looked over at Kagome, his eyes wide. Slowly, the dog demon started to walk back to the table where everyone was sitting. Kagome swallowed hard. She had just said that in front of everyone of her friends from the feudal era, including Inu-Yasha. The middle-schooler shifted uneasily, and starting singing.

In these eyes
More than words
More than anything that I've spoken
As the skies turned to gray
My heart's just about to crack open
So the story goes
There's something you should know
Before I walk away
and I blow the ending

The Inu gang gazed up at Kagome, speechless. Inu-Yasha's mind went crazy and his heart started pounding. He starting sweating and getting nervous. The hanyou started feeling a strange feeling in the pit of his stomach.

I never wanna be without you
Oh no, here I go
Now you know
What I feel about you
there's no running
I must have been wrong to doubt you (You)
Oh no
There I go
No control
And I'm fallen
So now you know

Kagome stared directly at Inu-Yasha while singing this. She was admitting her true feelings to him, and she felt good about it.

Feel so light
Craving oxygen
All this truth's left me empty
Will you run
Can you handle it
Cause I need you to tell me
Maybe this is bold
But I'm hoping you'll stay for the happy ending
I never wanna be without you
Oh no, here I go

Now you know
What I feel about you
there's no running
I must have been wrong to doubt chu (You)
Oh no
There I go
No control
And I'm fallen
So now you know

No I won't look back
When I tell you what I think about chu (You)
No I won't look back
When I tell you what I think about chu (You)

So the story goes
Yeah
You already know
So don't be a fool
And go spoil the ending
The lights darkened on Kagome as she finished the song.
I never wanna be without you
Oh no, here I go
Now you know
What I feel about chu (you)
There's no running
I must have been wrong to doubt chu (You)
Oh no
There I go
No control
And I'm fallen
So now you know

Inu-Yasha sat there for a moment, before getting up. He was just about to go up to Kagome and tell her his feelings, when-

"INU-YASHA! What are you doing here?"

Inu-Yasha's head snapped over to the door to see Kikyo standing there. She walked over to Inu-Yasha ignoring Kagome's vile stare.

"Inu-Yasha, I've been looking everywhere for you!" Kikyo cried pulling-no, forcing- Inu-Yasha into a hug. She then suddenly pressed her lips harshly against Inu-Yasha's. Kagome's eyes widened.

Inu-Yasha grunted and pushed Kikyo off him. "What the heck are you doing?!"

Kikyo put on a devious grin. "Just loving ya."

The Inu gang looked at Kagome. Her eye was twitching and it seemed if fire would suddenly burst around her. She breathed slowly and walked over to the mike.

"This next song," she said, trying to act calm, but anyone who knew her could feel the anger in her voice. "Is also dedicated to someone very, VERY close to me."

"Like a sister," she muttered under her breath. No one except Inu-Yasha heard it. He looked at her in worry.

3 - Kikyo bashing- Haters

Hard music started as Kagome grabbed hold of the mike and glared at Kikyo.

This could spell trouble.. Sango thought. The others thought the same.

Dont spit on me and shame yourself

Because you wish you were someone else

You look so clean but you spread your dirt

As if think that words dont hurt

You build up walls no one can climb

The things you do should be a crime

You're queen of superficiality

Keep your lies out of my reality

And when you're nice it's just a pose

You're one of those

Haters

Traitors to the human race

Haters

What a drag

What a waste

I'd like to see them disappear

They dont belong anywhere

Haters

Kikyo stared at Kagome. "What the hell is she singing about?"

Spinning a web thats hard to see

Of envy, greed and jealousy

Feeling angry but you don't know why

Why dont you look me in the eye?

You want my friends

You want my clothes

You're one of those

The beat hardened and Kagome danced like there was no tomorrow.

Different life form

Different species

Broken promises and treaties

Talkin' bout exterminating

Not the haters

Just the hating

You say your boyfriend's sweet and kind

But you've still got your eyes on mine

Your best friend's got her eyes on yours

It all goes on behind closed doors

And when you're nice it's just a pose

You're one of those

Inu-Yasha grimaced for a second before answering Kikyo's question. "It's for you."

Haters

Later for the alibis

Haters

Any shape

Any size

I'd like to see them disappear

They dont belong anywhere

Haters

Kagome gave Kikyo a hateful smile. Kikyo gasped and then scoffed. She stomped out of the karaoke bar.

"Wow," Shippo commented. "She told Inu-Yasha her true feelings AND got rid of Kikyo on the same night."

Inu-Yasha smiled at Kagome.

"I'm going to take a short break now," Kagome said into the mike, before leaving the stage. She walked towards Inu-Yasha. He ran toward her, squeezed her, and pressed his lips against hers. Kagome's eyes widened. But she gave in.

Sango walked over to the couple.

"Um, Kagome?" she asked, trying to get the student's attention.

"It's no use Sango," Miroku stated, shaking his head. "She's too busy choking on Inu-Yasha tounge."

Shippo screwed up his face and stuck his tounge out. "Ew."

Inu-Yasha broke apart from Kagome.

"Finally," sighed Sango. "Um, Kagome, what you're doing up thier seems fun, may I do it with you?"

Kagome smiled at her friend. "Sure, I've got a perfect song we can sing.

4 - Sango and Kagome- Our Lips Are Sealed

Kagome and Sango walked up to the stage. Kagome grabbed the mike.

"Okay everybody, I'm back from my break! And I've got a special surprise for you! There's a special guest here, my friend Sango! And we're going to be singing a song together!" Kagome announced into the microphone.

The crowd screamed their heads off as Sango walked up beside Kagome and grabbed the second mike. Kagome whispered into Sango's ear what they were singing while a beat started. Sango nodded, and started off the song.

Sango:

Can you hear them?

They talk about us.

Kagome: Telling lies

Well, that's no surprise.

Sango: Can you see them?

See right through them.

Kagome: They have no shield

No Secrets to reveal.

Both:It doesn't matter what they say.

In the jealous games people play.

Hey, Hey, Hey.

Our Lips Are Sealed.

Miroku whistled as the girls danced along the stage. Inu-Yasha rolled his eyes at the monk. A guy sitting at the table beside them also whistled.

"Go Kagome!" the guy(who, of course, was Hojo) shouted. Inu-Yasha growled at him. The dog demon's instinct kicked in. Inu-Yasha saw Kagome as his, and saw Hojo as an enemy(-yeah, I have no idea what I'm talking about >D-).He stomped over to Hojo and grabbed him by the collar of his shirt.

"Shut up, she's mine!" Inu-Yasha yelled loud enough for the people around them(including Kagome) to hear. She blushed, but kept on singing.

Sango:There's a weapon.

Which we must use.

Kagome:In our defense silence.

Sango:Spreading Rumors

So far from true.

Kagome:Dragged up from the underworld.

Just like some precious pearl.

both:It doesn't matter what they say.

In the jealous games people play.

Hey, Hey, Hey.

Our Lips Are Sealed

Hojo stared at Inu-Yasha's fangs, noticing how sharp they looked. He gently took Inu-Yasha's hand off his shirt.

"Um, are you a friend of Kagome's?" Hojo asked Inu-Yasha, now staring at the demon's clawed hands. Inu-Yasha threw Hojo's hand off of him and walked back over to the table they were sitting at. He shook off the thought of Hojo and went on watching Kagome and Sango sing. The lights started to darken on the stage as the music went low.

Kagome:Hush my darlin".

Sango:Don't you cry.

Kagome:Cryin' angels.

Sango:Forget their lies.

The lights flickered as Kagome and Sango started to sing into the same mic.

Sango: Can you hear them? They talk about us.

Kagome: Telling lies, well that's no surprise

Sango: Can you see them? See right through them

Kagome: They have no shield, no secrets to reveal.

Both: Pay no mind to what they say.It doesn't matter anyway, hey hey hey. Our lips our sealed. Our lips are sealed. Our lips are sealed.

The song ended and Kagome and Sango took a bow. They ran off the stage quickly to ask the boys how they did.

"You did great!" Inu-Yasha commented, hugging Kagome and pecking her on the lips.

"Wonderful Sango," Miroku said, squeezing Sango into a tight hug. The demon slayer blushed.

"Um, thanks," Sango squeaked, pushing Miroku away.

Shippo scampered up to the girls. "Wow, you both were so awesome!"

The girls thanked Shippo. Miroku looked at the stage and thought for a second. He went over to Kagome and asked her something. Kagome smiled and nodded. She went up to the stage.

"Hey everybody. Tonight, we're going to have some more guests singing for us. The first one is a guy named Miroku, who wants to sing a song for the woman he loves," Kagome spoke into the microphone.

Sango eyed Miroku suspiciously as the monk walked up to the stage and got the mic from Kagome.

What is he doing?the demon slayer thought.

Miroku poked at the microphone and it made a little banging sound. Some of the audience giggled.

"Um, hi," Miroku said. "This song is for the love of my life, Sango."

5 - The monk sings- Whatsername

Sango stared up at the monk and blushed fiercely.
A drum beat started at Mirkou got ready to sing.
Thought I ran into you down on the street
Then it turned out to only be a dream
I made a point to burn all of the photographs
She went away and then I took a different path
I remember the face but I can't recall the name
Now I wonder how whatsername has been

Sango sighed. I thought it was going to be a lecherous song, thank kami, she thought.
Seems that she disappeared without a trace
Did she ever marry old what's his face?
I made a point to burn all of the photographs
She went away and then I took a different path
I remember the face but I can't recall the name
Now I wonder how whatsername has been

Sango blushed as Miroku poured out all his true feelings to her on stage through this song.
Remember, whatever
It seems like forever ago
Remember, whatever
It seems like forever ago
The regrets are useless
In my mind
She's in my head
I must confess
The regrets are useless
In my mind
She's in my head
From so long ago

And in the darkest night
If my memory serves me right
I'll never turn back time
Forgetting you, but not the time.

Miroku walked off the stage- and right into Sango's arms. Sango squeezed him with all her might, crying a bit.

"Oh Miroku! That was the sweetest thing anyone has ever done for me!" Sango cried, still digging her face into Miroku's chest. Miroku hugged her back; starting to rub her backside. Sango squealed, leaped off of Miroku and slapped him. She stomped over to the table, fuming. Miroku rubbed the burning handmark on his cheek.

"Aw, it was fun while it lasted," he sighed silently, walking over to the table and sitting down.

Kagome looked over to Miroku, with a dissapointed look on her face.

"Miroku, you are such an idiot!" Kagome scolded the monk. "You just sang a lovely song for Sango, then totally ruin your moment, bastard! If- Oh, I got to go back on!" She kissed Inu-Yasha quickly and ran up to the stage.

"Sorry for the long breaks everybody! But we got another guest! You have seen her sing one the songs tonight, and she's back for another song! Give it up for Sango!" Kagome yelled into the mike.

Sango's head popped at her name and she headed to the stage in confusion.

"Kagome, what are you doing?" Sango snapped/whispered.

Kagome lowered her head to Sango. "You want to get pay back, right?"

6 - Thank you- La la

Sango blinked at her friend. "What?"

"So, you don't want revenge?" Kagome asked.

"Well, of course I do, he touched me AGAIN!" Sango scowled.

"So, you want to sing a payback song?" Kagome asked.

Sango looked at her as if she were crazy. "He just sang a beautiful song for me, of course not!"

Kagome stared at her friend (her eyes were like -_-) for a moment.

Sango stared back at her. "I want to thank him."

Kagome smiled as Sango went up the stage and grabbed the microphone.

A hard beat started as Sango widened her eyes. She knew this song.

"What song is she singing?" Inu-Yasha asked.

Kagome whispered into Inu-Yasha's ear. The dog demon stared at her.

"He's going to think she wants him to bang her," he muttered.

You can dress me up diamonds

you can dress me up in dirt

you can throw me like a line-man

I like it better when it hurts

Sango blushed as she sang the song. Miroku looked up at her in awe. He also knew this song. The monk smirked.

Oh, I have waited here for you I have waited.

You make me wanna la la

in the kitchen on the floor I'll be a French maid

when I meet you at the door

I'm like an alley cat

Drink the milk up, I want more you make me wanna

you make me wanna scream

Shippo blinked. "What is Sango singing about? What does la la mean?"

"We'll tell you in about 11 years," Inu-Yasha commented, meaning "you're too young to know, and if you ask again I'll nail you!".

You can meet me on an aero-plane

Or in the back of the bus

You can throw me like a boomerang

I'll come back and beat you up

Oh, I have waited here for you

Don't, keep me waiting

You make me wanna la la

in the kitchen on the floor

I'll be a French maid

When I meet you at the door

I'm like an alley cat drink the milk up I want more

Sango finally got into the song, and danced along with the beat in a flirtatious way.

I feel safe with you

I can be myself tonight

It's alright, with you
Cuz you hold, my secrets tight
You do, You do
You make me wanna la la, la la la, la la, la la la la la la la
You make me wanna la la, la la la la
You make me wanna la la
in the kitchen on the floor
I'll be a French maid
When I meet you at the door
I'm like an alley cat
Drink the milk up, I want more
You make me wanna
You make me wanna la la in the kitchen on the floor
I'll be a French maid
When I meet you at the door
I'm like an alley cat
Drink the milk up, I want more
You make me wanna
You make me wanna scream

The crowd cheered as guys yelled for Sango to come over to them. But the demon slayer walked over to Miroku, who had really happy ideas in his head. They kissed, and Miroku picked her up and ran off. Kagome and Inu-Yasha stared at the direction the monk and demon slayer went. Shippo sat there, confused at what was going on. Kagome was about to go up when someone walked up right to the stage.

What's that person doing here? Kagome thought angrily.

7 - Naraku and Kikyo- Wake Me Up

Kikyo was on the stage, followed by Naraku. The crowd chattered in confusion.

"Naraku and I are going to sing a song together!" Kikyo cried into the mike.

Soft music came on.

Kikyo: How can you see into my eyes like open doors
leading you down into my core where I've become so numb without a soul
my spirit sleeping somewhere cold

until you find it there and lead it back home."

Naraku: Wake me up

Kikyo: Wake me up inside

Naraku: Save me

Kikyo: Bid my blood to run

Naraku: I can't wake up

Kikyo: Before I come undone

Naraku: Save me

Kikyo: Save me from the nothing I've become

Kikyo glared at Inu-Yasha hatefully. Inu-Yasha wasn't looking at her though. He was staring at Naraku, growling.

Kikyo: Now that I know what I'm without you can't just leave me

breathe into me and make me real

bring me to life

Naraku: Wake me up

Kikyo: Wake me up inside

Naraku: Save me

Kikyo: Call my name and save me from the dark

Naraku: Wake me up

Kikyo: Bid my blood to run

Naraku: I can't wake up

Kikyo: Before I come undone

Naraku: Save me

Kikyo: Save me from the nothing I've become

Kagome looked at Inu-Yasha. Does he still have feelings for Kikyo? Does he want to sing a love song for her to get her back? Is he going to just forget her, and run off with Kikyo after this? Those questions scattered across her mind, tripping over each other and bumping into each other.

Kikyo: Bring me to life

Naraku: I've been living a lie, there's nothing inside

Kikyo: Bring me to life

Frozen inside without your touch without your love darling only you are the life among the dead
Naraku: All this time I can't believe I couldn't see kept in the dark but you were there in front of me
Kikyo: I've been sleeping a thousand years it seems
got to open my eyes to everything
Naraku: Without a thought without a voice without a soul
don't let me die here
there must be something more
Kikyo: Bring me to life

Kikyo looked at Inu-Yasha and Kagome for a split second. She could see the depressed face on Kagome, but the jealous face wasn't on Inu-Yasha. Kikyo frowned as the song ended.

Naraku: Wake me up
Kikyo: Wake me up inside
Naraku: I can't wake up
Kikyo: Wake me up inside
Naraku: Save me
Kikyo: Call my name and save me from the dark
Naraku: "Wake me up."
Kikyo: Bid my blood to run
Naraku: I can't wake up.
Kikyo: Before I come undone
Naraku: Save me
Kikyo: Save me from the nothing I've become

Kikyo: Bring me to life
Naraku: I've been living a lie, there's nothing inside
Kikyo: Bring me to life

Naraku and Kikyo headed off the stage and sat down at a table. Kikyo embraced Naraku hard.

"Kagome," Inu-Yasha started, still glaring at Naraku, "may I sing a song?"

Kagome looked at him sadly and nodded.

Inu-Yasha got up to the stage.

"This next song is dedicated to someone really special to me."

(note: This is supposed to be the actual 7th chapter)

8 - Dissing Kikyo- You Give Love A Bad Name

"This song is for Kikyo," Inu-Yasha said softly. The music and song began.

"Shock through the heart, and you're to blame
Darlin", you give love a bad name"

Kikyo's eyes widened as Kagome's jaw dropped. Inu-Yasha was...dissing Kikyo?

"An angel's smile is what you sell
You promise me heaven then put me through hell
Chains of love got a hold on me
When passions a prison you can't break free"

Kagome stared giggling. Kikyo glared at her, but Kagome ignored her.
"Oh, you're a loaded gun

There's no where to run
No one can save me
The damage is done
Shot through the heart
And you're to blame
You give love a bad name
I played my part
And you played your game!
You give love a bad name"

"I guess he was mad at Kikyo instead of jealous," Shippo said thoughtfully in a hushed tone, so Kikyo wouldn't hear him. Sango and Miroku nodded in agreement. Inu-Yasha was an awesome singer! He started to dance around the stage.

"You paint your smile on your lips
Blood red nails on your fingertips
A school boy's dream, you act so shy
Your very first kiss was your first kiss goodbye
Oh, you're a loaded gun!
There's no where to run
No one can save me
The damage is done
Shock through the heart, and you're to blame
You give love a bad name
I played my part
And you played your game
You give love a bad name"

The song ended and Inu-Yasha got off the stage. He passed Kikyo without even looking at her. Inu-Yasha sat down at the table, smiling a bit(holy cow). Kagome grinned and walked up to the stage.

"Who thought that was awesome?" Kagome asked into the mike. The crowd roared, clapping and cheering. Except for Kikyo and Naraku; in fact, they were gone.

"Now," Kagome started, "I'm going to pick someone from out of the audience who wants to sing a song for us!" A bunch of people stuck their hands up and yelled for her to choose them.

"Pick me!" a deep voice yelled from the crowd. The voice sounded familiar. Kagome tried to see what the man looked like, but it was too dark where he was sitting.

"Yes, pick him please!" a young girl beside him cried. Kagome hand instantly went up and pointed at the man without thinking.
