1 - AAAAAhg! the horror! 0_o

"You stupid gay demon, die already!" Inu-Yasha shrieked, swinging Tetsusaiga at Naraku. Naraku's arm got pierced off.

"WAAAAAAAH!!!!" he cried, waving his arm and bloody stump around. "YOU HURTED ME! NOW I SHALL SEND THEE TO THE LAND OF HAPPINESS AND PURPLE DINOSAURS!"

Naraku threw a bunch of powdery stuff at the gang, and they all went flying into the air. They were floating around in a purple place.

"What is this place?!" Sango asked worriedly, trying to get over to everyone.

Miroku looked around and stroked his chin thoughtfully. "Some pyhic wall of energy..."

"INUYASHA!" Kagome cried, trying to get over to Inu-Yasha.

"KAGOME!" Inu-Yasha cried, trying to get over to Kagome.

"INUYASHA!"

"KAGOME!"

"INUYASHA!"

"KAGOME!"

"INUYASHA!"

"KAGOME!"

"Oh, shuuut up already!" Shippo snapped at them. Kagome and Inu-Yasha glared at Shippo. "Ok, I'm shutting up now."

Suddenly, everyone landed somewhere. The land knocked everyone out but Kagome. Kagome looked around and saw they were all in a classroom. She went over to Inu-Yasha.

"Inu-Yasha! Wake up!" Kagome pushed Inu-Yasha. Inu-Yasha grunted, opened his eyes, and slowly got up.

"Where are we?" Miroku asked, helping Sango up.

"Yay!" came the cries of a bunch of little kids as they came into the classroom. They started dancing around a purple dinosaur plushie. The Inu-gumi(i like that name..) stared at the kids in confusion.

"This is so gay and stupid...." Inu-Yasha sighed, with shifty eyes. "Where the heck did Naraku send us anyway?"

As the kids danced around the purple thing, the purple thing started to sparkle. It started to grow bigger.

"EEek!" Kagome cried, hiding behind Inu-Yasha. Inu-Yasha grabbed his Tetsusaiga, ready to defeat the huge-

Purple dinosaur....

"It's alive!" Sango screamed in horror, fainting right on Miroku. Miroku smiled and snuck out of the classroom.

Sango was right. The dinosaur was alive. It walked up to Inu-Yasha and Kagome, bent down, and grinned a freaky, gay grin at them. "Hello! My name is Barney!"

Inu-Yasha snorted.

"What's your name?" Barney asked, bending down so low that his and Inu-Yasha's noises were touching.

Inu-Yasha rolled his eyes. "Feh."

"Feh?" asked Barney in a stupid way. "That's a nice name."

Inu-Yasha glared at him. "THAT'S NOT MY NAME, STUPID!"

Right when Inu-Yasha said "stupid", everyone, including the big stupid purple thing, gasped.

"He swore!" one of the little kids cried, pointing at Inu-Yasha. Inu-Yasha kicked the kid in the shins.

"You know it's not polit(a/n:I can't spell! :D)to point," the dog demon grinned, watching the kid hopping around on one foot. Barney frowned.

"Naughty naughty," he said. "But I've got a song that we'll cheer you up!"

But before he could sing the gay song of gayness, Shippo suddenly plopped down. The fox demon looked around in confusion.

"Yo, where am I?" Shippo asked, then looking up at Barney. Shippo fainted.

"Well," said Barney, "here's my song! I love you! You love me! We're a happy family! With a great big hug and a kiss from me to you! You can say I love you too!"

Everyone stared at Barney in horror. Barney just smiled and asked, "What did the song say to you?" He looked at Shippo, meaning that the question was for him.

"Bad, bad things," Shippo replied, his eyes wide. "Things I can't repeat." He suddenly fell on his face and started weeping. "MAKE THE BAD THINGS GO AWAY! I'LL BE GOOD MOMMMY!"

Kagome grabbed Shippo and cradled him in her arms. "You idiot, you scared him!"

"Naught naughty," Barney replied. "You said the i word. And we know where naughty girls go." As he said this, two of the kids grabbed Kagome and started dragging her off somewhere.

"No no!" Kagome screamed, struggling. But for some reason, these kids were strong- even more strong than Inu-Yasha! Three kids grabbed Inu-Yasha and held him back.

Kagome...

(a/n: Yep..this isn't Kagome bashing just so you know...but in the next chapter there's gonna be some Kikyo bashing!)

2 - Even more gayness

Kagome was being dragged by the kids off somewhere. Kagome almost got free but one of the kids hit her. Which was against the gay rules of Barney, but only Barney obeys the gay rules.

"Hey!" Kagome cried.

"Hey is for horses," one of the kids said.

"And cows like you!" Kagome snapped. The kid growled, letting go of Kagome to hit her- which was a big mistake. Kagome got loose of the other kids and ran. Ran as far as her legs could go.

"Catch her!" the kids cried, running after Kagome. They may be stronger than her, but they were much slower. Soon, they all stopped. When...

THUMP!

None other than the oh so ugly Kikyo came falling from the sky onto the ground in front of the kids. And the kids, being so gay, mistook her for the ever so pretty Kagome.

"Grab her before she escapes!" Kikyo looked up at the kids confused. She couldn't move an inch of her body before they all tackled her to the ground and lifted her up onto their backs.

"Finally!" Kikyo screeched like a toad. "I have the royal treatment I always deserved!"

The kids paused, looking up her like she was crazy, but then went on. They soon made their way to a door with a giant 'T' on it.

"Ooooo," Kikyo murmured, staring at the door in an idiotic way. "What does the t stand for? Treatment?"

"Nope," one of the little kids replied, putting her on the ground and grabbing her wrist. "It stands for Tellitubbies."

Kikyo screeched in horror as the kids dragged her clay body towards the door. They opened her and threw her in.

Now, we could tell you what happened, but this is supposed to be with the main Inu gang and Barney. Not the stupid gay stuff and the Tellitubbies. So...somewhere...a certain hanyou was trying to escape...

Inu-Yasha fell onto his knees from exgaughston(sp?). He breathed heavily, and his hair was matted with sweat. How could something so gay and big be so fast?

"It serves you right, hentai," the tajiya murmured, smiling in victory while she walked the monk roll around on the ground in pain. That's when a thought floated into her head. Where was everybody? Sango looked around to just see that they were in a deserted room. When she knew what was going on, a deep red blush crept across her cheeks, followed by a very angry look.

"MIROKU!"

The monk looked up at her, fear stricken across his face. He smiled an innocent smile. "Um, innocent until proven guilty?"

Now, you all get to imagine what happens here. Because, I'm too lazy to type down the rest! SO IMAGINE! Write it down, tell me, gimme ideas. And I'll give credit to you!

next time: Will Kagome find her way to Inu-Yasha? Will Shippo escape from...what's-his-face? Will Inu-Yasha kill Barney once and for all? Will we ever care about Kikyo again(NO!)? Will Sango kill Miroku? Will Sesshomaru ever make an appearance?

Find out next time!
