1 - What's his name?

She sits by the window, hugging her knees up to her chest.

She sits by the window, realizing each day how dissapointed she is.

She sits by the window, knowing that her wishes will never come true.

She sits by the window, trying to remember.

Cold, crying, depressed.

No cure for her broken heart.

She sits by the window, gazing out into the rain.

She sits by the window, her memories not coming back to her.

She sits by the window, knowing that he won't come back.

She sits by the window, knowing that his face has vanished from the earth.

She sits by the window, her broken heart bleeding terribly.

She knows he doesn't exist anymore.

Yet, she yearns for him.

She imagines he's there.

She continues to hope he'll come back.

His face is all a blur.

Her memory of him is fading away.

She closes her eyes, trying to remember.

Who was he?

What was his name?

Just a blur of red, silver, and amber.

Now she can't remember.

She sits by the window, waiting for him to return.

She sits by the window, waiting for him to remind her.
