The secret life of Willa Henderson[br]

[br]

Willa is a girl who thinks boys are nice, but never really thinks a boy is cute. She finds a best friend named Lyle. She forgets girls ever existed. Her and Lyle don't do girl stuff they go roller skating, go to the arcade, go to the waterpark, and go to the movies. She never seems to notice the way Lyle looks at her. One day her sis tells her.[br]

"Willa you don't see how he looks at you, he is madly in love with you. Do you like him?" her sister Anastasia asked her. "NO!" she yelled and ran into her room. "why-does-he-like-me-and-not-a-popular-girl?!!!" she yelled into her pillow in-between sobs.[br] "Because you're the most beautiful girl in the world. More beautiful than even the most popular girl in school." someone said. She whipped around only to see thin air. "I must be imagining it." she said out loud to herself. "No you didn't." the voice said again "I'm outside the window. Then Lyle jumped in and hugged her "Willa" was all he said. He kissed her long and passionately. "Lyle why didn't you tell me?" she asked him as he pulled his lips away from her slowly. "I was afraid that you wouldn't like me back, and everything between us would change, you know." I understand, she thought. "And Willa I won't hurt you I promise." he said. Well.... that's the end I hope you like pplz!! peace out! [br]

Today Willa was going to meet a new teacher, and of course she was late. "Im sorry I was late!" she said as she burst through the door. "You will see me after school Willa" the teacher said sharply. *wow my first day and the first words i hear from my teacher are meaning i have a detention.*"Im so sorry"she began "I really am sir" *why am i talking like this?*"You may sit Willa" she turned bright red and sat next to Anna-Marie who was the most popular girl in school.To her surprise Anna-Marie slipped a note on her desk.The note was like this,[br]

"Johan Kutan Jr." said the voice."Ahhhhhhhhh"she screamed as he bit her chest.Suddenly it wasnt so dark,she could see and she felt weird.She turned face to face with a tall lean figure that looked oddly like her but this figure had red venom eyes, long white fangs, and long red nails.Willa leaned out to touch this figure but her fingers only met the cold cold glass."This isnt me!!. " she screamed "This is you and it will always be you, you are a kuntio demon. You only take out your fangs and other kuntio features at night you are now my wife please kiss me" they kissed passsionatly for at least 5 minutes and then Willa killed Johan Kutan Jr..[br]
