Chapter 1 - Monsters

1 - Monsters

The worst kinds of monsters,
They aren't the ones in your head,
They aren't the ones under the bed,
They're the ones in real life,
The ones that make us wanna die,
They torture us because they don't understand,
But they're just jealous cuz,
They can't do wut we can,
Some of us try to fit in,
But y do we bother,
I know will never win,
They tell us we're freaks,
But they're just creeps,
They do it cuz they're scared,
Cuz they know the monsters r there,
The monsters are always finding new hosts,
In the body of those,
Who like to cuz pain,
Like the fire burning in my veins,
It loves to see you bleed,
Loves to see you weep,

Until you fall into a never ending sleep,

Where nightmares turn to dreams,

The monsters have fulfilled their fate,

To create a world of hate.
