Chapter 1 - The teams	2
Chapter 2 - The Teams prt 2	4

1 - The teams

Jackerah was walking down towards the river and saw a little bug go past her. It was nothing but a fly. Then she laid down in the grass and laid there closing her eyes and feeling the cool fall breeze as it came by. Eventually she looked up at the clouds as they went by and sighed a relief she had from the chunin exams. For she was going to see her new team mates today.

"I hope nothing ruins a day like this." Jackerah said as calmly and swiftly as though she was a cloud.

Later on that day she went towards the place where she was to meet her team mates.

"Where is everybody?" She looked around. She gave a glance over the bridge as she waited for her new companions to arrive.

Suddenly one of them showed up. It was a girl with long side bangs, gold lightened hair and green flourishing eyes as if she was of a morning grass with water. She had her hair back and was walking very slowly.

Right behind her was their sensei. He had white silverish hair and a mask. To her perception she knew who it was as soon as he came into view. It was her father Kakashi Hatake. She looked nothing like him. As soon as the girl with the yellow hair was at the bridge, Jackerah urged herself to speak. But her emotions were very shy, like a butterfly.

"Hello." said the girl with the blond hair.

"Hi..." Jackerah said softly.

"What's your name? Mine's Kaori." Kaori said swifiting from side to side.

"My name is Jackerah."

"Well my....nice name."

"Thank-you, Kaori."

"Which village do you come from Jackerah?"

"I come from the Village of the Hidden Snow."

"Nice. I come from the Village of Hidden Mist"

Then as they were talking, Naruto and Sasuke were fighting over who kisses Sakura goodbye. Sakura was leaving the Hidden Leaf Village to live with her sister in a very far village called The Land Of Tea.

"NO I KISS HER FIRST!!!!!!!!!!!!!!" Said aNaruto.

"No I should cause I am emo er!!"said Sauske.

Jackerah and Kaori herd them from the bridge and decided to go see what the to guys were fighting about.Jackerah first thought in her mind

Who is that blondie boy and that emo looking guy???

2 - The Teams prt 2

Jackerah and Kaori walked on over to see what the commotion was about. Sauske and Naruto just sat down next to each other and both gave a staring glare.

It looked like their eyes were on fire. They just looked like they were ready to kill someone. Jackerah broke the silence.

"Hello. What are you guys quarreling over?"

That day Jackerah was wearing black long gloves, a sleeveless pink shirt, and a VERY!!!! short mini skirt, and boots that came to her knees. When she asked the question the both stared at her and gave a glance of a skirt like they were about to rape her!!(XD) Naruto spoke first before Sauske.

"Hi...." Naruto gave a slight blush.

"Hi so are you guys ok?"

Sauske and Naruto shook their heads yes. Kaori said something next.

"So do any of you 2 know your sensei is?" Kaori asked.

"Yeah"

Suddenly the shy sensitive Hinata walks by.

"H-hi...N-naruto. -///-

Our sensei was walking up behind us while we were talking to Naruto, Hinata, and Sauske.

"How are you two girls doing?" Said Kakashi.

"Uhhhhh....." Jackerah stepped back, some knowing her father would point her out of the rest of them.

"Jackerah, have you introduced yourself yet?"

"No I haven't Sensei"

"Jackerah you need to tell them."

"Alright.....My father is Kakashi Hatake -__-:"

Everyone's jaw dropped when Jackerah said this. Even Sauske was shocked. When Kaori heard this she was thinking of what to eat for dinner.

"Jackerah Hatake eh?" said Tsunade.

Tsunade was the 5th Hokage since the other one died. Tsunade was Jackerah's Sensei now.

"You can leave now Kakashi I have her now."

"Ok"

"Jackerah come on we have to start your training."

Jackerah walked on with Tsunade and left Kaori and the others.

"Wow Lady Tsunade is teaching Jackerah?"
