He said blowing away the narrator. "So what lame adventure are we going on today?" He asked Brock. "Well we could go and find some cute girls!" Brock said laughing. "You're obsessed!" Said Ash punching him in the face "Why don't you just go and think of something else!" Ash said downing a bottle of Scotch. "Calm down!" Said Misty. "You can shut up as well!" said Ash banging his head on the table. "All the time I have to put up with you two!" He said jumping to his feet. "Screw this I'm going!" Said Ash storming off. "What's his problem?" Said Misty storming after Ash.

"Oh hello stupid world!" Said Ash walking into the local city. "Why don't you all just go back to your chores!" Said Ash noticing the way people were staring at him. "Stop staring at me!" He snarled readying his Shotgun. "STOP IT!" He said opening fire on everyone in the area. "STOP STARING AT ME!" He shouted to all the dead bodies. "Now where was I" Ash said walking towards the bar. "Hold it right there twerp!" Said Jessie jumping out from an alleyway. "Prepare for Trouble!" "Yes and make it Double!" Said James appearing from behind her. "To fund our use of caffeine filled coke!" "Alas twerp this is no joke!" "All we ask is a penny from you!" "Or if you're kind you'll give us two!" "Jessie" "James" "Team rocket begging for money at the speed of light." "Give it to us now or prepare to fight!" Ash ran passed them and down the alleyway. "Catch you later losers!" Said Ash Laughing.

"It just had to be Team Rocket...." Said Ash running towards the bar. "Why can't they just f*** off and leave me alone!" He said finally reaching the bar. "PIKA!" Said Pikachu trying to keep up with him. "Go away!" Said Ash with a snarl. "Pika?" "I said go away! I'm sick of adventuring and I'm sick of you!" Said Ash. "Pika..." "Don't give me that look!" Said Ash walking away. "It won't work on me this time!" "Pika...Pi?" Said Pikachu noticing a group of grunts following Ash. "Ah gimme the strongest drink you have!" Said Ash to the bartender. "Sorry sir you're too young for the strong stuff...." Said the bartender. "Give me the drink!" Said Ash. "Unless you want this pretty little weapon blowing your head clean off!" He said brandishing it. "Um of course sir! The strongest stuff coming your way!" Said the bartender getting Ash his drink. "Oh look what we have here!" Said one of the Grunts walking into the bar. "We're gonna have a little fun with your Pikachu!" The grunt snarled holding Pikachu by the ears. "Do what you want I don't care..." Said Ash getting back to his drink. "What?" Said the Grunt. "Aren't you always supposed to save your Pikachu? What's got into you?" the grunt asked. "Just leave me alone!" Said Ash jumping to his feet. "Listen I want to join Team Rocket!" There happy now?" Said Ash with a snarl.

"Listen kid we hate you!" Said the Grunt "We always have and we'll always will!" Said the grunt snarling back at him. "You'll never join Team Rocket NEVER!" "We'll just see about that!" said Ash lunging for the Grunt. "Security!" Said the Bartender hiding behind the bar. The security came in thick and fast. "What's going on here?" Asked the head of security. "Koga sir these idiots have decided to start a brawl in my bar!" Said the bartender. "Ash Ketchum we meet again..." Said Koga. "Oh shut up!" Said Ash throwing an empty bottle at him. "Watch it!" Said Koga jumping out of the way. "Heh this one won't miss!" Said Ash throwing one straight for Kogas head.

"Boss I finally have Pikachu!" Said Jessie with a laugh. "Now where's my money!" She asked. "You will be paid the sum of 1000 yen directly!" Said Giovanni ordering one of his grunts to hand over the money. "Is that it?" She said. "1000 yen is that all you give me!" She said attacking the Grunt. "I have spent months finding this Pikachu!" She said "We have spent about 100000 yen on this mission and this is all you have to pay me!" She said breaking through the window where Giovanni was. "I'll kill you!" She said lunging for his throat. "KILL!" She said as a bullet connected with her face. "Why..." She said as she collapsed to the floor in a pool of blood. "What have you done to Jessie?" Said James bursting into the room. "I'll never forgive you for this!" Said James attacking the Grunts. "She was my one true love!" Said James in a murderous rage. "I'll kill every last one of you!" Said James. "Insolent fool." Said Giovanni shooting James in the leg. "You think you can threaten me?" Said Giovanni with a laugh. "Well goodbye you fools..." He said as they died in their own blood.

Said Ash when he heard the news. "Now..." He said to the Grunt "Let me join Team Rocket!" He said. "I can do a much better job than those idiots ever could!" He said. "Very well..." Said the Grunt. "But you must destroy those pathetic friends of yours!" Said the Grunt. "Hang on..." Said Ash. "I can't kill Brock and Misty!" He said. "Leave them out of it!" Said Ash. "Oh we cannot allow that!" Said the Grunt. "Ash there you are!" said Misty dashing into the bar. "Go away!" Said Ash. "Don't make me kill you..." "What are you talking about?" Said Misty concerned. "Listen just get away from me..." Said Ash. "Go away and leave me alone!" He said. "I'm sorry Ash I can't do that..." Said Misty standing there. "We have been friends for a long time now" She said. "And if you want me to go you'll have to kill me!" She said. "Very well..." Said

Ash blasting Misty away with his Shotgun. ``Pathetic..." Said Ash putting his Shotgun back. ``Now let me join you!" Said Ash. ``Very well..."
