# 1 - The Breakup

Torn and Ashelin had been dating for three months now. Torn felt like nothing could tear them apart. He felt that Ashelin was the half that made him whole. He loved how she always made him smile. She seemed to be the only one who could do that. When he was busy thinking about her, she walked through the door. He loved the way she looked at him. The way she always smiled. The way her eyes always sparkled. "Hey, Ashelin," said Torn. "Hey Torn." Ashelin replied as she kissed him lightly on the cheek. *He'll never find out that I'm cheating on him with Razer.* Ashelin thought. "Ashelin." Torn said. "Yea?" she replied. "I love you. My life would mean nothing without you." "I love you too. I have to go into town for a while." "But you just got back." "I forgot something." "Oh. Well I'll see you when you get back." "See you later" Ashelin said as she headed out the door. Jak was playing with his goatee in suspension.

"Dude, don't you suspect something?" asked Jak. "Like what?" Torn replied. "She has been leaving a lot lately. Pretty much every day to be exact. She might be cheating on you." "She wouldn't do that. I'm sure she cares too much to do that." Torn said. "All right. But I still think she might be cheating." *Man, he is so stubborn.* Jak thought as he left for his date with Keira. "See you later, Torn." Torn tried to rush the thought of Ashelin cheating on him out of his head, but he just kept thinking about it. "No, she wouldn't do that. She cares too much about me to do that." Torn said to himself. *She wouldn't do that. Would she?* Torn thought, *No. She wouldn't, why did Jak even bring that up? Oh well, better not think about it too much.*

Ashelin arrived at Razer's house. "Hey, Razer." "Hey, sweetheart. Does he suspect anything?" "Not a thing." "Good" Razer said as he kissed her on the lips. Ashelin loved the way Razer kissed her. She felt that when Razer kissed her, all of her troubles left her. They headed up to Razer's room. "Let's watch t.v." suggested Razer. "We're not going to watch it are we?" Ashelin asked as they headed upstairs. "You can read me like an open book." said Razer. They got undressed and got in bed together, when Razer whispered in her ear. "I love you," Razer said. "I love you too," Ashelin replied. They moved in for another kiss. Two hours later after they got dressed, Razer said "You better head to Torn's house, before he goes out to look for you. You've been here for two hours." "Okay, see you later, honey." "Bye, Ashelin" He said as she went out the door. She loved Razer so much, but would Torn ever find out? She didn't really care if he found out or not.

She arrived at Torn's house. "Ashelin, I have to ask you something." said Torn. *Oh no! has he found out?* was the thought that rushed through Ashelin's head. "Jak thinks that you are cheating on me. Is that true, Ashelin? Please tell me it's not true. Is it?" "Of course not. Why would I do that?" replied Ashelin. "I don't know." "Don't listen to Jak. He lies all the time." She kissed him passionately on the lips. "I care about you too much to do that." Torn was relieved. "It's getting late." said Ashelin. "Yeah, you're right." They went upstairs and went to sleep.

The next day, Torn woke up, but Ashelin was gone. He went downstairs to look for her. He couldn't believe what he was seeing. He couldn't help but to eavesdrop on the conversation. "I love you so much Razer." said Ashelin. "I love you more than anything." Came Razer's reply. "I love a lot more than I love Torn." said Ashelin. Ashelin and Razer moved in for a kiss. Torn's eyes started welling up with tears. Just then, she seen Torn at the top of the stairs. She quickly pulled away from Razer's kiss. "Jak was right. You were cheating on me. How could you?" He went to his room and shut the door. The tears were pouring out of his eyes.

Ashelin opened the door. "Okay. I better break it to you. It's not you I love. It's Razer. Hell, I never really loved you. Oh yeah and it's over, you hear me!!! It's OVER!!" She left, slamming the door on her way out. "C'mon, Razer, let's go." They left the house. Torn couldn't believe it. The one person he truly cared about was gone. She didn't love him like she said she did many times. He felt like his heart was ripped out of his chest. *Why did she leave me? I don't want to face this world alone.* So many thoughts were running through his mind. "I love her more than Razer ever could. She should understand that. I guess she would rather be with a complete stranger than someone who truly cares for her." Torn just sat there and cried. He felt that he was emotionally scarred for life. *Why did she leave? Why did she want to be with a complete stranger than someone who truly loved her?*

Well, that's the first chapter. You'll have to read the next chapter to find out what happens next!!!!!! That's pretty much it. Please comment!!!

## 2 - Life Isn't the Same Anymore

It has been about two days since Ashelin dumped Torn for Razer, but to him, it felt like three weeks. He couldn't imagine his life without her by his side, and he didn't want to. He tried not to, anyway. He just couldn't get over the feeling that she's gone forever. But she was never gone from his heart. *I wonder what she's doing right now?*

he thought. He decided that he would call Jak over to make him feel better. He went downstairs and dialed Jak's number. Jak answered the phone.

"I didn't do it officer, honest!!!!," yelled Jak. "Dude, it's me," said Torn. "Yeah, I knew that. I also know the reason you called." "Why." "Because you need to get your mind off of Ashelin and you want me to go over there. Am I right?" "Yes" "I'll be there in ten minutes. See you then, dude." "All right." They both hung up the phone. How could he get his mind off of Ashelin when she was all he could think about. Nobody, not even Jak, could get him to think about something else. He also thought about Razer. How he despised him. "I hope he doesn't hurt her, and if he does, he'll pay!!" Torn said to himself. As he was thinking about how much he missed Ashelin and how much he hated Razer, the person who took her away from him. As he was thinking, the doorbell rang.

Torn answered the door. "Hey, dude," said Jak. He entered Torn's house. "You know, You should get a smaller house, because I always get lost in here." "You should know your way around now, Jak. You've been coming here for the past six months." "I know, but I can't remember where everything is." Jak said as he thought he was going to the kitchen. "Jak, that's the living room." "I knew that." He turned around and headed toward the kitchen. "Where's Keira?" Torn asked Jak. She's at home, sick." "Oh." As Jak was exiting the kitchen, he slipped and fell on the floor. Torn started laughing. Jak got up off the floor. "Man, that floor's slippery." "You slip on it every time you visit." "I know." "Why did you fall this time?" "I tripped over my own ankle. I remember when I fell down the steps that time." "That was three days ago." "Oh. Are you sure?" "Yes, I'm sure. That was pretty funny." Jak's face turned red in embarrassment. Just then, the phone started ringing. Jak answered it. "Pizza Hut. How may I take your order?" said Jak. "Jak, I need your help moving the furniture around." It was Keira. "But I did that last year." "Jak." "Okay, I'll be there in a minute." "I'll see you then, Jak." They hung up the phone. "I have to go." "Okay, Jak." "Man, I hate moving furniture," complained Jak as he headed out the door.

"That helped, a little." said Torn. He was still thinking about Ashelin. He missed the way she smiled, the way her eyes sparkled in the light, but, most of all, he missed her. He decided to go for a drive to try to clear his head. He got his keys and left the house. He started up the engine and started down the road.

He thought about how different his life would be without Ashelin beside him. He tried not to think about it, but he couldn't help it. Then, he drove past Razer's house. He decided to see what they were up to. He looked through the living room window. They were hugging, and she looked happy to be with Razer. Then he said something to her. Torn understood what he said. Razer had said that he loved her. How Torn hoped that Ashelin would reject Razer, but they did the opposite. She said that she loved him and they kissed. Torn realized that she didn't really need him, and that she was happy with Razer. He figured that she didn't really care for him anymore. He couldn't help but let the tears pour from his eyes. Pained by what he saw, he headed back home. He got out of the car, and went in his house. His face was streaked with tears. *Ashelin, what am I going to do without you? My life will never be the same again. I miss you.*, Torn thought as he headed upstairs. He sat on the edge of the bed and cried. What would he do if the person he loved wasn't with him? He felt helpless, alone, and most of all, he felt unloved.

He decided to think of the stuff they used to do together. Then one memory came that he never wanted to forget. He thought of that day when he was looking for her in the yard. Then, as he was looking for her, she grabbed his shoulders and knocked him down. As he was lying on the ground, she knelt over him, and they kissed. After they had kissed, she said that he couldn't catch her. He took off after her. After a few minutes, he finally caught her. "Looks like you caught me." she said. "I guess I did. I love you." he said as he kissed her gently on the lips. After they had kissed, she said that he was the only one for her. She also said that nothing would come between them. Tears were streaming down his face. He wanted to stop crying, but he couldn't stop. He missed Ashelin too much to stop. He wished that he could hear her voice again. He wished that they could kiss again. He couldn't stand the thought of hardly ever seeing her anymore. He was getting tired. He looked at the clock sitting on the table. It was 3:00a.m. He went upstairs, and went to sleep in hopes that tomorrow would bring better thoughts.

Well, that's the end of the second chapter. I hope you've enjoyed this story so far. Don't worry, the third chapter is coming soon!!!!

### 3 - Razer's Secret

Torn woke up around 9 A.M. the next day. He missed waking up beside of the woman he deeply cares for. He wanted to get rid of the pain he felt, but how? He got an idea. He went into the kitchen, and pulled a knife out of the drawer. *What does it matter? Without her, I don't think I deserve to live anyway.* Torn thought as he brought the knife closer and closer to his wrist. He was about to slit his wrist when there was a knock at the door. *Who could it be at this hour?*he thought as he quickly put the knife back in the drawer and answered the door.

It was Jak."Can I stay here for a few days? Keira threw me out for not helping her move the furniture." "All right. You can stay." "I got an idea!! Let's go to the bar!! I love the bar. It's awesome." "Okay,as long as it will get you to be quiet." "Yay!!! We get to go to the bar!!!! I'm so happy!!!!" "Dude." " Sorry. The bar is just so cool!!!!" "Are you just gonna set there yapping or do you want to go to the bar?" "To the bar!!!!" "All right. Let's go. Get your @\$\$ in the car and we shall leave." "YYYYYAAAAAAAYYYYYYYY!!!" They got in Torn's car. Torn was driving, of course. They pulled out of the driveway and headed to the bar.

They walked inside of the bar. Hey,is that Razer? With some other girl that's not Ashelin??" Jak asked Torn. "Why, yes. Yes it is. I'll be back." "Okay." answered Jak as he headed to get a beer. *He's probably going to kick Razer's @\$\$.....COOL!!!!!!*,thought Jak as he got a beer. He decided to watch just to see what would happen. He started watching Razer and Torn from his comfortable seat at the bar. *Yay. Front row seats in case they start fighting.* Jak started watching in anticipation. *Who is Razer's girlfriend he's cheating on Ashelin with, anyway?*

Razer's girlfriend went to the bathroom. Torn got to where Razer was setting. "Razer, I thought you were dating Ashelin." "Well,well. Since you caught me in the act, I guess I better tell you. "Tell me what?" "I'm cheating on her, and so help me if you tell her, I will kill you faster than you can tell that red-headed whore that you love her." "You damn son of a dog. How dare you treat her like that." "She cheated on you!!! What's the difference?" Torn was pained at the words that came out of Razer's mouth. He was also filled with rage. He grabbed Razer by the shirt collar and drug him outside. He threw Razer on the ground and kicked him in the face. Razer grabbed his leg and knocked him down. Torn got loose of Razer's grip, pinned him down, and punched him repeatedly in the face as hard as he could. Razer managed to pull out his pistol. He hit Torn in the cheek with the butt of the gun. Torn grabbed Razer and stood him up on his feet. He then punched Razer under the chin. Razer flew a few feet and fell to the ground. Torn ran over to Razer and kicked him in the ribs as hard as he could. "How do I know you don't

hit her too?" Torn asked Razer. Razer ignored him. Torn kicked him in the stomach. "Answer me you damn shoot-eating son of a dog!!!" "I don't hit her. Now let me up." Torn let Razer up, and then he gave Razer a black eye. "Get the hell out of my damn sight, you bastard. Before I tear you a new asshole!!!!" Torn yelled at Razer as he was running from Torn.

Jak met Torn outside of the bar. "You beat the shoot outta him. Did you find out who that girl was that Razer was with?" "No. I don't think that dumbass even knows who she is." They got in Torn's car and went to Torn's house. "Dude, are you okay?" Jak asked Torn. "Don't worry about me dude. Just worry about yourself. I'll be fine." "I better go apologize to Keira now. Are you sure you'll be okay here by yourself?" "I'll be fine. I'm sure Keira will forgive you." "Okay. See you later." Jak headed out the door. *Jak's lucky to have someone like Keira. I don't have anybody.* The pain was taking over Torn's life. He got the knife that he had this morning out of a drawer. He was about to slit his wrist when he got an idea. He was going to try to make things right again. He would tell Ashelin about what Razer was doing. He would tell her that Razer was cheating on her with some skimpy slut he met at the bar that he probably didn't know. But one question still lingers in his mind. Would Ashelin believe him?

\*\*\*\*\*

There's the third chapter. I'm sorry it took so long. I have been really busy with school and other stuff. Please comment!!! ^.^

## 4 - Disbelief

Torn decided he would tell her in the morning. It was already getting late. He decided to go to sleep. It was hard for him to fall asleep, though. He was thinking about Ashelin. He managed to go to sleep after awhile of just lying there, thinking about Ashelin.

He woke up the next day around 8 A.M. The phone started ringing. *Who could it be at this hour?* Torn thought. He answered the phone. It was Jak. "She made me sleep in the car because she said I was supposed to wash the dishes." "Dude, why didn't you just wash the dishes?" "Because my job is to set on the couch all day long and drink beer and watch t.v. and her job is to do ALL the housework and wash the car and cut the grass and wash my feet and clean the ENTIRE house top to bottom AND feed and walk and clean up after the crocadog." "Are you done yet? What the....is that Keira....yelling at you...for being lazy....and not doing ANYTHING?" "I don't know. Wait a second" Torn could hear them arguing in the background. "Nag nag nag is that all you do?" Jak asked her. "At least I actually do something you lazy son of a dog!!!!!!!!!" "Looks like someone had an extra bowl of dog flakes this morning!!!!!" "GET..OUT....OF....MY....HOUSE!!!!!!!!!" Jak didn't want to argue anymore. He left and decided to go to Torn's house. Torn got impatient and hung up the phone.

Jak arrived at Torn's house. He knocked on the door. Torn answered it. "Can I stay here a while? Keira threw me out....again." "You can stay for the tenth time this week." "Are we going anywhere?" "Yes. we're going to visit Ashelin and I'm gonna tell her what Razer is doing." "Do you think she'll believe you?" "I don't know. I hope she does." "Wait just a second." Said Jak as he went in Torn's kitchen and got a beer out of the fridge. "Are you ready yet?" Torn asked Jak. "Yea. I just wanted to get a beer." "Okay. Let's go on a roadtrip." At this statement, Jak started singing. "We're going on a roadtrip!!! We're going on a roadtrip!!! Hooray!!! We're going on a roadtrip!!!" "Please stop that." "Sorry, it's just that I like to go down the road." Torn grabbed his car keys and they headed out the door. They got in the car. "Are we there yet?" asked Jak. "Not yet." "Are we there now?" "No." About fifteen minutes later, they arrived at Razer's house.

"Dude, stay in the car, okay?" Torn told Jak. "Okie dokie" "Oh and please don't touch anything." "Okay, I won't." Somehow, Torn knew Jak would ignore him. He had to concentrate on what Ashelin would say if he told her what Razer was doing. He knocked on the door. Ashelin answered it. "What the hell do you want?" she asked him. "Where's Razer?" he asked her. "He's gone." "Ashelin, I have to tell you something. Something important." "What is it?" "Razer is cheating on you." "How would YOU know?" "I saw him in the bar yesterday with some girl." "Stop lying to me!!!!!" "I'm not lying. Why do you think I would lie to you?" "I don't believe you. I know what you're trying to pull." "What do you mean?" "You're trying to get me to break up with Razer. You think you can get me crawling back to you. Well, it's NOT GONNA HAPPEN." "Ashelin, please...I'm telling the truth. Honest. You can ask Jak." "Whatever Torn. Just leave me the hell alone. Besides, if I ask Jak, how would I know he wasn't lying to me like you're trying to?" "Ashelin, I would never, ever lie to you. I have never lied to you. What makes you think I would lie to you now?" "Just get out of my damn sight. I don't want to see you anymore. Just get out of

my life!!!!" "Alright. I'll leave you alone now. Just think about what i said okay?Oh, and I want you to just know that you deserve much better than Razer." He left and came back to his car. "I'm guessing it didn't go too well."said Jak. "No. She thought I was lying about Razer." "Oh. I'm sure she'll realize her mistake. I mean, Razer can't hide it forever without her finding out." Torn smirked a little. *Maybe he's right. Razer can't hide it forever.* They left and arrived at Torn's house.

"Dude, should I stay here or go apologize to Keira? I feel really bad."said Jak. "Go apologize to her. Show her that you care. And don't worry about me. I'll be fine." "Okay. see you later." Jak left and went back to Keira's house. Torn couldn't believe that Ashelin thought he was lying. He remembered all that she said. *She wants me out of her life, but I couldn't imagine my life without her. I tell myself I won't miss her, but I remember what it feels like beside her.* Tears rolled down his cheek. But, he hoped that she would find out what Razer was doing. How he hoped that son of a dog would burn in the depths of Hell.

There's the fourth chapter. Please comment!!! ^.^

## 5 - Torn Saves Ashelin

The next day, Torn decided to call Jak to see if Keira had forgiven him. He dialed Jak's number and the phone started ringing. Jak answered the phone. "Ah, great. what did I do this time officer?" said Jak, thinking Torn was a Krimson Guard. "Dude, it's me." "Oh. Sorry. What did you call for?" "Did Keira forgive you?" "Yea. But it was kinda hard to get her to. But she couldn't resist these pretty cerulean blue eyes." "Oh really?" "Dude, you sound like something is bothering you. What is it." ".....Nothing." "You're lying." "Alright. I'm just wondering what Ashelin is doing right now." ".....Oh. I have to go now. Keira is calling. She wants me to help her with washing the car." "Okay. see you later." They hung up. He was wondering if Ashelin missed him like he missed her. *I just hope Razer isn't cheating on her again. I don't want him to hurt her in any way. I'll kick his @\$@ if he does.*

At Razer's house, Ashelin was getting worried. She wondered where in the world Razer was. *He said that he would be home two hours ago.* Then, all of a sudden, Torn popped into her head. She was starting to miss him, even though she didn't want to admit it. *I hope he was lying about Razer. Please, let it be not true.* Now she was wondering why she missed Torn. She couldn't think about it now. She had to think about where Razer was. As worry was consuming her mind, she decided to look for Razer. Since Razer had the car, she had to walk. She headed out of the door.

"Now if I were Razer, where would I go?" she muttered to herself. " I know!!!! I'll try the bar." She ran to the bar as fast as she could. When she reached the bar, she walked in. She saw Razer...but he was kissing another girl. After they were done kissing, she heard him tell her that he loved her. She felt like her heart was ripped out of her chest. She had recieved the same exact pain that she gave Torn. She was feeling really bad. She walked up to Razer. "Ashelin....this isn't what it looks like." "I know very damn well what is going on. I was so stupid not to believe Torn when he told me what you were doing." "He told!? I'm gonna kill that bastard." "If you lay one finger on him, I'll tear your guts out of your asshole!!!!" "Take it easy." "How can I take it easy!? Oh yeah, it's over. You have this little tramp to deal with now." As she walked out of the bar, Razer jumped up and grabbed her arm so hard that he bruised it. "Where do you think you're going, slut!?" "Razer, let me go!!!! Somebody help me!!!" She started crying really hard. "No one's going to save you!!!!" Razer knocked her down and she hurt her leg. She tried to run, but she couldn't walk. "Don't think Torn will save you, because he won't!!!!" As he said this, he started kicking her really hard.

As Razer was kicking her, Torn was walking towards the bar. He saw what was happening. "ASHELIN!!!!!" He cried out. "Torn!!!! Please help me!!!!" Torn ran over to Razer and tapped him on the shoulder. When Razer saw who it was, Torn punched him in the face so hard his eye turned black immediately. He hit Razer harder than he has ever hit that son of a dog. "Why did you hit her!? What did she do to you!?" Torn yelled at Razer. "Why do you care about her? She's a doggy whore who feels nothing and cares about nobody." "How dare you say that about her!!!!" Torn was so fed up with Razer that he stomped on his chest so hard that he cracked one of Razer's ribs. Razer cried out in pain. Just when Torn least expected it, he wrapped his hands around Torn's throat. "You think you can stop me!?"

How pathetic." Razer said to Torn. Razer was squeezing Torn's throat tighter and tighter. Even though he was almost unconscious, he kicked Razer as hard as he could in the crotch. Razer immediately let go of Torn. Torn fell to the ground, gasping for breath. As he was trying to catch his breath, Razer was about to shoot him. Ashelin saw what was happening and she knocked him down. He tripped her and started punching her in the face and ribs. Torn stood up, grabbed Razer's hair, and punched him so hard Razer got knocked out.

Torn picked up Ashelin and carried her as fast as he could, away from where Razer was. As he was carrying her there, they started to talk. "I'm sorry, Torn. I should have believed you. I guess that I didn't want to accept the fact that what you were saying was true. I'm such an idiot." "Ashelin, why do you think that you're an idiot?" "I should have never cheated on you and I'm sorry for it. I guess I'm just a big jerk that no one likes." Ashelin started to cry. "I bet you hate me now, don't you?" "I could never hate you, Ashelin. No matter what you do or say, I still love you." "But, I treated you like crap." "Ashelin." "Yeah?" He kissed her passionately on the lips. Torn wiped away his tears as they kissed. After they had kissed, Ashelin layed her head on Torn's chest. "I love you, Torn." "I love you too, Ashelin." Ashelin now knew that through the good times and the bad, Torn would always be there to guide her through it. She fell asleep in Torn's arms. He kissed her on the head. Torn and Ashelin both knew that they have someone very special to them. Ashelin would always be in Torn's heart, as he will always be in Ashelin's. Torn can finally be at ease now that the most important person was with him. He knew that Ashelin would be with him, no matter what. He can't wait to see what the future will hold for the two of them.

And there it is, the final chapter. I'm glad I made it with a happy ending. I'm going to draw a picture to go along with this. Please comment!!!
