## 0 - prologue

Chiky?: welcome to the Inuyasha Interviews Prologue this is just me catching my victims i think i might get kagura she is dying anyway just bottle up enough of the dust and i can bring her back to life

Kagura's soul: Chiky? you better not now i have to go do my death scene you better not interupt before during or after the cast is off limits ok now see you later not.

\*Kagura snickers darting off unaware of the impending tourter Chiky? is planning now for the death scene\*

Chiky?:oh my god kagura watch your fracking chest naraku is going to fracking stab you stupid witch

\*overly touching lily field scene starts by kagura colapsing on all to pure white lilies miasma flowing from her blood staining her kimono head lowering wondering if it ends alone until she hears footsteps\*

Kagura: \*head snaps up to see sesshomaru standing in front of her\* s.sesshomaru

Sesshomaru: \*stares at kagura for a few seconds trying to think of something to say so she wont misunderstand why he came\* i came fallowing the scent of blood and miasma

Kagura: \*head drapes and laughs to self\* i see so you expecting naraku \*short pause\* disapointed hes not here never was

Sesshomaru: \*eyes softened looking down at kagura hand going to tensiga\* i knew it was you

Kagura: \*mind races slightly thinking he came knowing it was just me\*

Sesshomaru: \*moves hand from tensiga with sorrowed expression\* your leaving

Kagura: \*smiling even though there is allot of pain and she can feel herself fading\* ya its enough \*thinks i was with you in the end before fading leaving sesshomaru to stand there alone while inuyasha's gang comes up behind before the whole thing clears\*

Chiky?: i know your hear kagura come on before i have to trap you in a bottle i will you know it your the only one who i have made suffer through the test interviews which are not published so you got to go through them again

\*no response cause kagura is enjoying new found freedom until Chiky? grabs her arm and started dragging her\*

Kagura: crap release me now I said let go let go i will not sit through another interview why don't you tourter someone else just cause I'm your fav does not entitle you to tourter me like this

Chiky?: OH after i get some imported questions awnsered you will get company first i need to embrass you with pictures that really happened and if naraku knew when he had your heart he would have killed you someone sedate her so we can get her into the cell until we get sesshomarus castle to store everyone in

## 1 - first interview

Chiky?: welcome to the first inuyasha interview i have sent for kagura she should be hear any second AH \*ducks avoiding getting head cut by wind blade\* she's here someone give me armor or something

Kagura: oh frack yeah I'm here and its your fracking fualt so your dealing with my temper full blown I got no sleep last night cause of the fact the nightmares from naraku and nightmares of just what you've uncovered and how \*fires another wind blade\*

Chiky?:oh kagura forgot it does not work like that \*ducks taking a few leaps back to get out of kaguras attack range\* and i have pictures from a little affair of your

Kagura:You do not have what i think you have do you \*pray she does not have what she's fairly sure she does\* not those pictures

Chiky?:first i have a deal to strike with you if you can refrain from killing me this episode I'll find a way to capture sesshomaru early \*even if it increases the grapich nature of this\* deal

Kagura:wha \*blushes looking away\* why would i want that deal i hate him did you not notice i have never shown respect we hate each other ok nutcase

Chiky?: oh really \*smirks\* roll the pictures

[http://fc05.deviantart.net/fs6/i/2005/048/4/d/Kagura\\_and\\_Sesshomaru\\_by\\_KagomeHikari.jpg](http://fc05.deviantart.net/fs6/i/2005/048/4/d/Kagura_and_Sesshomaru_by_KagomeHikari.jpg)

Kagura: WHA \*goes into panic\* HOW THE frack DID YOU GET THOSE I THOUGHT YOU MEANT THE CAVE SCENE NOT THIS \*shoot what if naraku found out please no please no\*

Chiky?:Its fine cross my fingers he wont know ok kagura \*as if i want to see some good stuff when i drag him on this is just picture revealing and a few questions wait till i start bombing her with questions\* so

how did you feel during this quiet passion filled affair

Kagura: I'm going to kill you one of these days i do not know why i befriended you but it was the best time of my life so far ok next question so we finish this quick and I'm not the one being toruted

Chiky?:Ok if you had lived would you have beared sesshomaru's child if so what would you two have named it would it have been a boy or a girl would you have liked to have one more night did you love him

Kagura: to many questions there all out but since your a good friend when you aint doing this i'll awnser the first one yes if i had lived i would have been happy to if he asked because demons have to mate before any pups can be concived

Chiky?:I'll let you tourter naraku if you awnser my questions honestly like your doing now for this episode hakudoshi is joining you next round i swear you do have his baby pictures right \*as if she doesn't he's practicly her son\*

Kagura: \*light smile\* do i ever not i get to embrass him with them right \*holds pictures up\*

Chiky?:yes you do \*now time for hell\* ok kagura back to the questions if you had lived would you have told the others not on naraku side about your affair with sesshomaru?

Kagura: \*thinks\* I'm not really sure before or after naraku mets his demise or i get freed

Chiky?: um before naraku dies but after your freed

Kagura: we might not have even had to say anything the others \*kagome\* are nosey so they would have found out right away i would have been traveling with them inuyasha would have been able to smell us on each other to

Chiky?: what would happen if sesshomaru came onto the show next \*besides them making out first chance i let them slip from sight\*

Kagura: shut your mind off right now cause i'm dead now remember i just did my death scene before SOMEONE kidnapped me well demonessnapped me i guess is the proper term or windnapped me cause i was the wind till you grabbed me if you were to reintroduce me who knows what hell could break lose sure just sesshomaru would be fine and yes we proply would get to know each other again as your thinking but i will not let you do this to any of them i will not let you put others through this tourter you hear me i will not let you break them to awnsering everything honestly

Chiky?: um ya well see about that ok kagura this is a wrap for today we did more then enough to you besides your no fun by yourself anymore so i bringing in others soon someone take her back to her cell

## 2 - interview two

Kikyo: ugh where am i

Kagura: hell

Kikyo: again

Kagura: no not that hell don't awnser anything anyone besides me asks you no matter what pictures they got on you ok

Kikyo: why and what pictures could anyone have on you to get you to awnser things practicly everyone on the show has seen most of your shape a few times you seem to get your clothing torn allot

Kagura: don't I know it but trust me this girl her name is Chiky? she can find dirt on anyone she does interviews she kidnapped both of us now were stuck here if you don't talk it wil take her longer to nab the others

Kikyo: so what does she have on you anyway kagura as we both said your clothing got torn allot in the show i mean even i think the only person who hasn't seen your form is sesshomaru and his group

Kagura: nope he's seen me \*blushes slightly make out sessions going through her head\*

Kikyo: i don't recall when that happened \*wonders why she's blushing as it is exteremly out of her character\*

Kagura: before naraku moved his heart into the stone demon i got hit fell into the river its the most exposed I've been for a long time period then i flew off somehow perfectly good when i got to the shrine again

Chiky?: yep now its time for more interviews kikyo is our main question target today

kikyo: shoot me Chiky? kagura already told me about your game \*crosses legs smirking\*

Chiky?: yes kagura tried that in the begging now watch this. kagura did you care about sesshomaru in someway you know what happens if you lie or hesitate

Kagura: \*pause thinks\*

Chiky?: \*starts looking through pictures\*

Kagura: no you dont need to do that yes but i am not awnsering further then a yes

Chiky?: I'll be able to do that to you ok did you and inuyasha ever make out

Kikyo: \*thinks\* no and you can't prove otherwise

Kagura: one thing you don't say

Chiky?: oh really \*flicks through pictures\* then explain this clay pot

Kagura: is that a baby bump i never heard this part

Kikyo: alright i had gotten pregent with inuyasha's child once but i miscarried at the end so we never talked about it

Chiky?: aimed towards both of you is there one man in the show you love more then the others \*eyes kagura like lie i show a picture of you and sesshomaru making out\*

Kagura: yes but thats all I'm saying

Kikyo: i have romance scenes with inuyasha so ya

Chiky?: only inuyasha

Kikyo: only inuyasha

Chiky?: PICTURES \*presses play button\*

Kikyo: crap how did you get those \*looks really scared glances at kagura eyes asking does she does this all the time\*

Chiky?: oh heck ya i do it all the time and i have my sources and soon more are going to arrive i kidnapped more people for the next one lets see if they fair better one last question for kagura do you miss sesshomaru

kagura: why you DANCE OF BLADES

Chiky?: ah \*darts behind wind proof barrier\* see you in the next chapter if I'm alive kagura stop it servents round up everyone going all out in interview three not everyone has to talk but i want everyone here especially sesshomaru and naraku \*runs from kagura who is pissed off trying to kill her\*

### 3 - interview three

Kagura: \*groans eyes opening\* i wonder if Chiky? got anyone else

Kikyo: were going to find out soon enough she was setting things up said for me to put this concealment on you \*puts concealment on making kagura appear like someone else\* lets go she wants us

Kagura: Chiky? what hell do you have planned today \*please let someone stop this hell\* better not have done what i think you did

Chiky?: i got everyone don't blow it i wanna see something \*glances towards the others which are staring wide eyed at kikyo ignoring the girl who died in front of them standing next to her because of the concealment but sesshomaru is sniffing the air eyes widening\* maybe i was right

Kagura: i frackin hate you \*glances at sesshomaru wondering if he remembers her scent catches a slight smirk from him\*

Sesshomaru: \*double checks scent before smirking taking a single step ending up in front of kagura forgetting the others are there removing the concealment keeping her appearance hidden\* did someone really think that was a good trick

Inuyasha: KAGURA \*man this place is messed up sesshomaru went to her for a second time

Kagura: yep its me she kidnapped me and you guys for random interviews shes got the awnser already but enjoys messing with us \*points finger at Chiky?\*

Chiky?: first question how long have you all known each other

Kagura: i dunno i just got into it after being created \*shoot hopefully she does not have the baby pictures\*

Chiky?: you should know better then to lie to me role the chibis and babies \*presses play button on pictures\* i will do commenairy

oh look kagura and sesshomaru

are so cute in this one notice they are sleeping with each other in it and sesshomaru has to be willing  
cause he's underneath so he would have woken otherwise

oh  
teenagers on the stone rocks outside the castle another thing proving you lied kagura and you let her get away with it sesshomaru

looks like no one was watching for camera when they went to sleep you guys were like ten in demon years

oh sesshomaru you and inuyasha got along and look shippo was there to

Kagura: I think we get it \*i do not like were she's taking this\*

Chiky?: good be sure to awnser honestly i know all your secrets and i know you stopped that cause you knew were i was heading kagura ok next question i will let somone else ask based off the pictures

Kagura: your putting the spotlight on me and sesshomaru you UGH i am not awnsering anything

Inuyasha: what the frack in the second picutre what are you two doing

Kagura: \*blushes looking away\* nothing and thats all

Sesshomaru: \*she lied again she was tempting me we both knew it we both also know i took the offer stop thinking that its still a secret\* same

Miroku: then why are you blushing and you responded rather quickly

Kagura: did not and I'm blushing cause I've been through this tourter longer

kagome: did you and sesshomaru ever kiss before the fight started or after even by aciedent

Kagura: NO what would give you that thought

Chiky?: tsk tsk role the photo's I'll do words again

ok clear to see sesshomaru is the one who started this one it was after they both physically grew as far as they can currently go and they are clearly kissing

i forget when and where but i know it was triggered by SOMEONE almost beating kagura to death and sesshomaru stopping it she can be a girl in distress sometime

Oh way this one suppose to be private was  
that way your in the air sorry but look your doing it again both of you

yes they are  
kissing in this picture as well tongue and all its clear to see they are both willing

the bird of the nest

angles with the wind

the girl with no heart

the boy with no smile

there kissing

and holding each other

Sesshomaru: \*pulling kagura up to him claw hooking onto her ear\* this is getting rather boring we already know what she's showing

Kagura: \*blushes slightly looking up at sesshomaru then smirks wrapping her arms around his neck\* ya i know she does this all the time she's got tons of pictures

Sesshomaru: the others can clearly see now so \*stops talking letting his hand settle of the base of her neck lowering his head pressing his lips to hers\*

Chiky?: \*turns around to see kagura and sesshomaru kissing\* and our latest expample apperantly brought on by the fact they have nothing better to do say chese

Kagura: \*ya right as if I'll let you get another picture flicks fan opened blocking herself and sesshomaru from view\* put the camera away before i break it \*moans slightly when sesshomaru starts kissing her neck lowers voice to a whisper\* sessh not everything is in the opened yet they don't need to know everything besides were in clear sight

Sesshomaru: \*growls slightly but stops kissing her neck pulling her closer to him\* for now

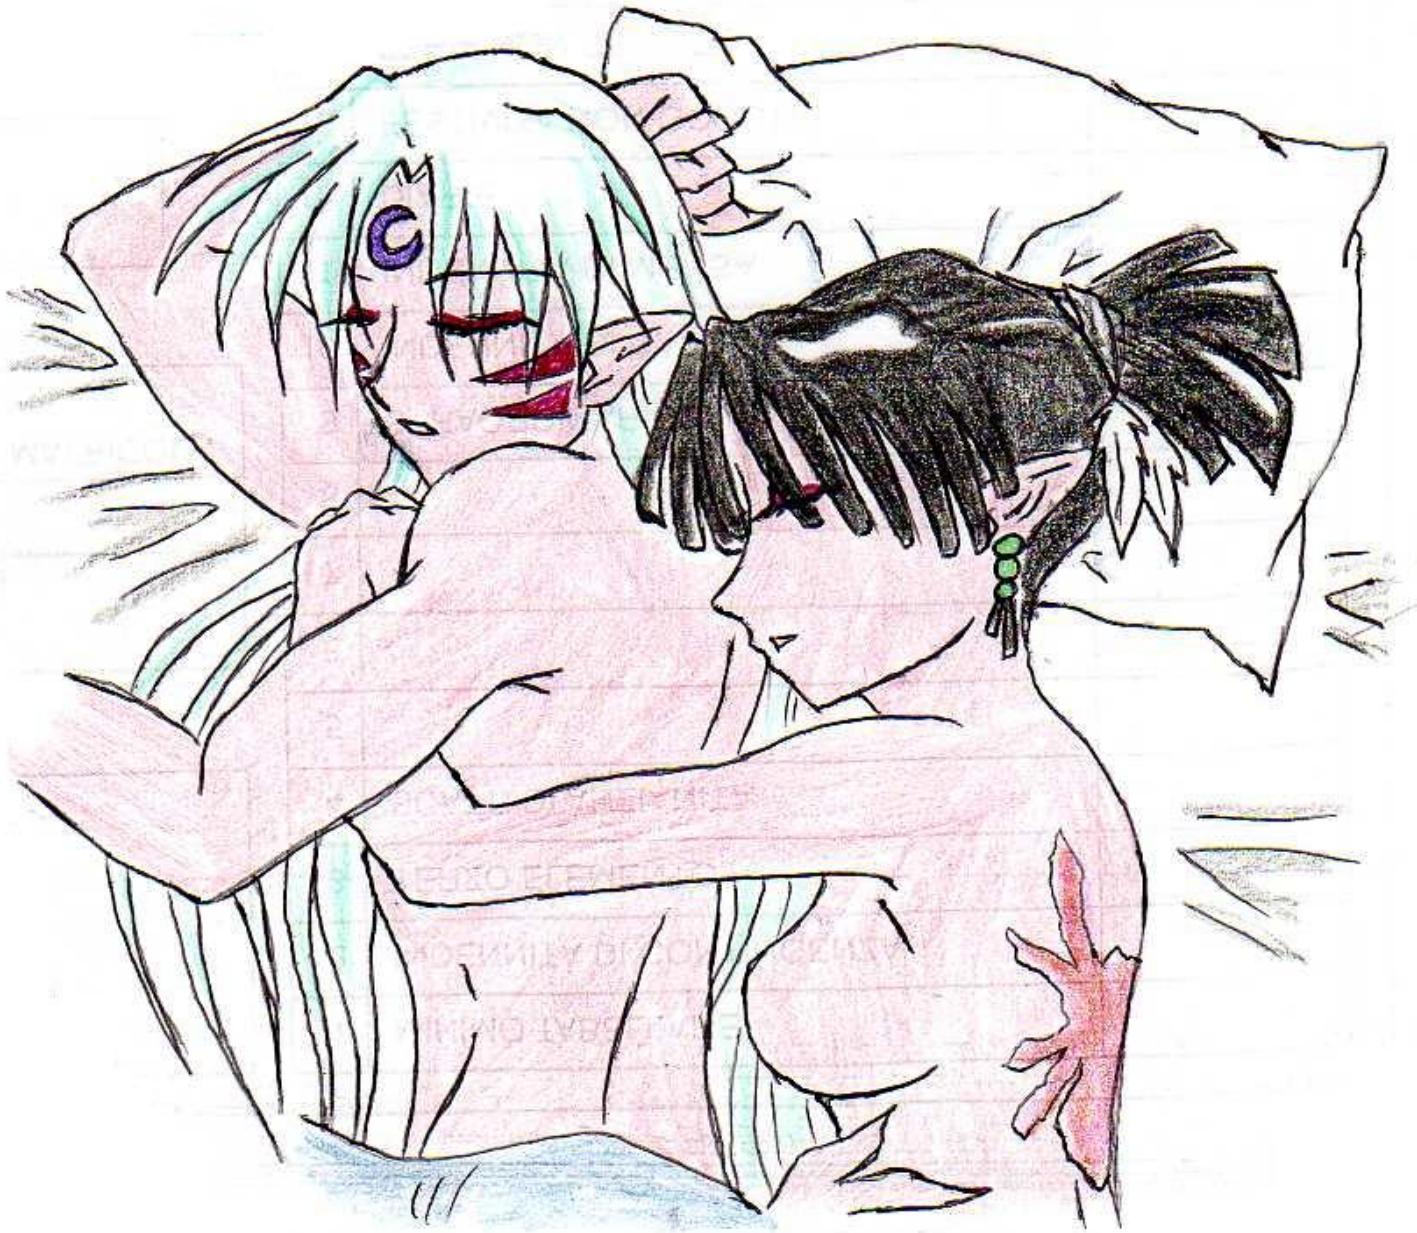

Miroku: has this ever went past kissing

Inuyasha: what do you mean

Kagome: i think he's asking if they've slept together

Kagura: um Chiky? role the pictures ok

Chiky?: with pleasure i shall awnser the question with photo's

this one is a after and its in the chambers of the castle

[url=<http://img.youtube.com/vi/lYpb8EodbaE/3.jpg>]http://img.youtube.com/vi/lYpb8EodbaE/3.jpg[/url]  
again in the castle after shot

Inuyasha: WHAT THE frack HOW OLD ARE THESE

Kagura: \*glances at sesshomaru who nods she smirks\* they aren't old there are newer ones yet somewhere that Chiky? has hidden you did not notice the fact of scent

Inuyasha: back up how the frack did this start

sesshomaru: our life not yours brother

Kagura: you dont have to be so mean he's just worried

\*sesshomaru growls slightly turning away kagura growls\*

Kagura: do not turn your back from me or growl at me for that matter

sesshomaru: all your doing is talking

Kagura: then do something about it if you don't like it

Chiky?: shoot you two are not going to \*see's sesshomaru smirk at kagura's comment\*

Sesshomaru: your temper still gets the better of you

Kagura: as i said dont like it do something about it asshole \*gasps slightly when sesshomaru quickly pulls her up to him pressing his lips firmly to hers prying her mouth opened quickly with his tongue\*

Sesshomaru: do not speak as such

Kagura: if i did that you wouldn't need to shut me up now would you

Chiky?: get a room

kagura: you guys could just leave the room instead

Chiky?: ok lets go \*drags everyone but kagura and sesshomaru out\*
