0 - Introductions And BackStories On My Characters

The Elementals

Chiky?

Chiky? is very much one of the two ring leaders for The Elementals a band made of a group of demoness all of which have control over one elements most of The Elementals like Chiky? are not pure elemental demons but rather double breeds for the most part The Elementals consists of animal elemental double breeds there is actually only one pure elemental in the band being their lead singer who is also a Inuyasha character Kagura Chiky? and Kagura are exteremly close friends like the rest of

The Elementals resulting in the band having a deep hatred of Naraku when Kagura is not working for Naraku she stays in Chiky?'s massive estate with The Elementals but back to Chiky? she is a half fox half earth demoness she loves playing pranks on her friends and interviewing people she is a good singer offend singing right along side Kagura Chiky? offend throws parties at her estate her interview studio also being where The Elementals practice although her band has no songs of their own they are still extremely good Chiky? offend uses black mail if people do not answer her honestly

Raven

Raven is the lead guatiar player for The Elementals despite her tiger demon like appearance she is actually a half bird half shadow demoness she has wings the same color as her hair on her back like all bird demons or demons that do not fly with a demon cloud or by a completely self generated way she

works closely with wind demons Raven is the first of The Elementals to meet Kagura Raven and Kagura become partners when Raven first manages to fly thus Kagura and Raven are closest to each other they do not keep secrets from each other Raven is off and light hearted normally silent but she listens well to others and off and knows how to help others feel better normally she pretends to be carefree but when she appears serious about something that's when she definitely is serious about it Raven like most of The Elementals is normally staying in Chiky's estate

Kotton

Kotton is the back up guitar player for The Elementals her name literally means cotton in Japanese this fairly fits her light fluffy kind temperament Kotton is a half rabbit half seasonal demoness her appearance is that of her animal half but her powers come from her elemental half she can control the growth of plants crops herbs and such because of her rabbit half she is normally always alert she hates when people reference a rabbit's breeding rate in comparison to her as she is not anything like that to prove her point she is still pure waiting until she mates to have that taken she tends to loosen up with even a single drop of alcohol so during most of The Elementals performances she is tipsy to keep her from jumping for nothing

Iruka And Sakana

Despite the fact that everyone in The Elementals is close Iruka who is the silver haired golden eyed one and Sakana who is the one with blonde hair and blue eyes are the only two related in the band both Iruka and Sakana are half nekos Iruka is a half neko half dog while Sakana is a half neko half void the reason for this is Iruka and Sakana while they are twins they do not share the same mother their father was a neko but he had two mates both of which concived at the same time to Iruka and Sakana were born at the exact same time so they are twins even though they do not look very much alike each other the biggest differences between them come in slight personality differences Iruka is more cold hearted than her sister she does not hesitate or regret killing while Sakana has yet to actually kill someone like most voids she is extremely smart she is kind hearted but Iruka and Sakana act very alike one another besides for those small facts they like the other Elementals offend stay at Chiky's estate

1 - First Arival

Kagura: *crosses legs leaning back on the counter*

Chiky?: Kagura your still here

Raven: You never told her Chik

Chiky?: Yes I did I told her at last nights party

Kotton: Ya when she was completely drunk

Iruka and Sakana: We should be leaving to leave Chiky? to her new line of work

Kagura: NEW line of work Chiky? what are you doing this time and why would I not be here unless I was doing something for Naraku

Raven: Cause she's taking up interviewing as a side perfession

Kagura: Oh please crap tell me she is not interviewing the Inuyasha cast

Kotton: Thats why we got to clear out until tonight when they're asleep

Kagura: These Interviews Do Not Incueld Me Chiky?

Chiky?: Then I'll spotlight you with pictures

Kagura: I do not get interviewed at the same time as the others

Chiky?: Deal now if your going to clear to somewhere else clear they're going to be here any second

Kagura: See ya later gals *Throws feather jumping up taking off just as there is a knock on the door Inuyashas gang somehow missing the white feather flying in the clear sky*

Inuyasha: Why are we here again Kags

Miroku: I beilive Kagome said something about a Interview correct

Kagome: Yep apparently someone knows about us and our powers and they want to do an interview

Sango: Theres a demonic aura here

Shippo: Its a earth fox

Inuyasha: Huh

Kagome: You mean this letter might have come from a demon

Chiky?: *frantically tying bath robe messing with door lock throwing opened door* Welcome to the home of The Elementals

Kagome: Wait The Elementals Live Here *Fangirl squeal*

Chiky?: Yep I thought I included it in the interview letter funfact about The Elementals Kagome were all demoness

Miroku: What is The Elementals

Kagome: Only the most viewed teen band they have no songs of there own but they are soo Awsome

Chiky?: Thanks come in the other girls already left

Kagome: Whats your lead singers name

Chiky?: We call her Kagu allot but her real name is stricktly off limits she told me not to tell you guys and I'm asking to get bladed if I tell whos up first for an interview

Kagome: I'll go first to show the others how its done

Chiky?: Awsome come on *Grabs Kagomes hand dragging her onto the set flicking on lights* Were On Air In Five Everyone Get Ready

2 - Interview One With Kagome

Chiky?: *Holds One Hand Up * Ready Five Four Three Two One Hit It *closes hand lowering it*
Welcome to Elemental Air Run by the back of singer of The Elementals ok everyone knows Inuyasha
well my special interview quest Today is Kagome

Kagome: *waves at camera* Hello

Chiky?: Ok ready for the questions

Kagome: *nods*

Chiky?: Ok show as much energy as possible be yourself lets get started. Lets start with something easy.
What do you think is the cutest thing about Inuyasha?

Kagome: I'll have to say the dog ears for that one

Chiky?: Ok next one about Narakus minions. If you had to get along with one of Narakus minions who
would it be?

Kagome: I'd have to say Kagura even though everyone is getting along with her fairly well I mean she's
the only one of Narakus creations not labled for instant death upon encounter with Narakus enemies I
cant recall when the last time she fought with any of us was and I think she's likely like all other girls
when she's away from doing Narakus dirty work

Chiky?: *Heck ya she's a total girl when she is not doing that bastards dirtywork* I really like that awnser
maybe you guys will see her when I interview her *Hopefully without getting bladed* next question. If you
could take out one of Narakus creations all by yourself exluding Akago who would it be?

Kagome: I dunno I guess it would be Hakudoshi since he is the most evil besides Naraku

Chiky?: Ok dont get mad at me for this one its roaming all over the internet and it started on Mirokus
fansite *Kaguras actually*. Are you pregnant?

Kagome: *cheeks become red with anger* Yes, Yes its Inuyashas Kid, Yes I am going to kill Miroku it
was suppose to be a secret until I started showing

Chiky?: I lied about the Miroku part I'll give you the site title its Kaguras site she puts nothing about
herself on there but its called Sights Of The Wind (does not really exist yet I might make it Later) she has
tons of stuff about everything on there she found out by your scent she has tons of Pictures I'll mostly be
using pics from her site

Kagome: Kagura started a fansite for the show

Chiky?: Yep its awesome she really has high remarks of everyone besides Naraku and Hakduoshi and she seems to hate Kikyo at the moment apparently Kikyo posted a picture Naraku forced her into posing for wont take it down and Kagura hasnt forgiven her yet

Kagome: Oh ya I have that

Chiky?: Oh really lets see it

Kagome: Ok here it is

[imghttp://fc08.deviantart.net/fs17/f/2007/211/d/5/Kagura_from_TOTD_2_by_Urd_chan.jpg

Chiky?: Oh Naraku Is so death faster then before Raven is going to be pissed

Kagome: Raven?

Chiky?: Never mind next question. What are your theories on why Kagura hates Naraku so much?

Kagome: Theories Naraku brags to much we pretty much knwo the minor stuff he does to her lets get off this subject she isnt here we shouldnt be speculating

Chiky?: Of Course. I wanna show some pics from Kaguras site oh crap shes posting right now she's online *This is just grand ok kagu your partaking in this since your online*

Kagome: Really whats she uploading

Chiky?: Pictures I'll play them and her comments as shes uploading I'll hold a small talk anything between the fallowing two sybloms is online chat "
lets get started on this

Kikyo: 'He ll No Kagura I Am Goin To Destroy You Cant You Take A Joke You Have Just Started A Picture War'

Kagura: 'Gotta upload another pic to keep this going but Bring It On Clay Pot the next pic has nothing to do with the war ok'

Kagura:'I wish that girl would be a little more emotional just a little I tried to put a hand on her shoulder but I didnt get a reaction damn I love my sister I really do but she's a damn soulless minion for gods sake'

'Kanna just logged in due to being angry at Kagura'

Kanna: 'Oh Soul Less Minion Am I Do Not Mess With Me Kagura I Can Win Against You Ok Mirror Uploading A Picture Right Now'

Kikyo: 'I thought Kagura and Hakudoshi Hated Each other and whats that thing around your neck Kagura'

'Hakudoshi logs in instantly seeing the pic'

Hakudoshi: 'Ya She raised me we act like we hate each other so Kagura can stay with me instead of Naraku cause I let her play hookie allot'

Kagura: 'Ya thanks for that Haku I think I have a good picture or two left to set you back on the right track Chiky?'

Kagome: 'Chik said she might interview you would you come would you be alone'

Kanna: 'she wouldnt have the time when ever she isnt at the castle she's playing hooki with her guard dog or someone else'

Kagura: 'Sure I'd come why'

Kagome:'Would you mind if we were here when she did it'

Kagura:'if said Guard Dog Is with me there wont be a choice he wont let Inuyasha near me the rest of you sure but he wont let Inuyasha near unless I say so of course but this might stay online chat for now Naraku is hounding me with work plus the snap shots I have with my boyfriend this weekend'

Kikyo:'wait you have a boyfriend'

Kagura:'yep not even Kanna knew that hehe I also have a adoptive daughter of course she is my boyfriends adopted pup but she still recently started calling me mom after catching me and my doggy kissing'

Kagome:'A dog'

Hakudoshi:'does this mean your dating a dog'

Kanna:'This is so funny Kagura kissed a dog'

Kagura:'acutally my boyfriend is a dog demon'

Hakudoshi:'well he isnt touching you until i approve of him big sis'

Kagura:'To late haku who do you think I'm with now and I wont be with him anymore if you track me logging off'
