Joey sees "yep, and I'm gonna do it now!" Joey sacrifices his chick to summon Red-Eyes Black Dragon, then he attacks Atem's Beta and destroys it, then Joey sees "well pharaoh, not bad huh?" Atem sees "yes but it's over Joey!" then Joey sees "what?!" Atem sees "well you did destroy my Beta but you forgot my magician! And you have no defense agent it" Joey sees "ahhhhhhhh.... Your right!" Tea responds "how can you say anything if we have to see two of our friends battle like that!" Joey sees" tea's right! Both Yugi and the pharaoh have a hard time and we can see them like that!" Mai sees "ohh come on! If you really care for you two friends then show that to them, they need your help and you don't give them a hand!" Tristan sees" guys Mai's right!" Tea sees" Tristan how can you say that!" Joey sees" no tea! "Tea sees" what?" Joey sees" it's true Yugi and the pharaoh need us, maybe we don't know why some of the things that happen do happen, but one thing we do know is that the pharaoh and Yugi always have a reason to be in these caned of stuff and all we can do is be there for them "tea sees" right "and they go home.

In Kaiba Corp Mokuba asks Kaiba" hey! Seto! What do you think? Yugi is going to duel the pharaoh ! " Kaiba sees" Mokuba I don't think you should call that guy pharaoh , but I do think that duel is going to show all of us who is the real king of games!" Mokuba asks Kaiba " but if you only wanted that to happen why did you enter the tournament?" Kaiba sees" well... you see Mokuba if that Atem wins that duel with Yugi that I want to know if he's so good and duel him myself." Mokuba sees" but there is still another duelist how do you know that ... well ... you know you'll win" Kaiba sees" because Mokuba ! I don't think there is another duelist besides Yugi that can win a duel against me" Mokuba sees" ok then!" Mokuba goes to sleep but Kaiba stays up preparing his deck for the duels .

Atem is in Kare's house. Kare gives Atem some water and asks him" Atem is not that I don't like the idea of you staying here but why are you passing the night here and not with Yugi?" Atem responds "well Kare, Yugi is my next opponent !" Kare sees" I see, you see that you are going to do your best to win!" Atem sees" I know Kare but..." Kare sees" but what?" Atem sees" well I have this mission and by the look of how things are going I have to win that duel to get what I want , so I have to prepare myself without Yugi here so that's why I came with you , so I can prepare myself !" Kare sees" I see, that a very good idea " Atem sees" thank you Kare" Kare blushes and tells Atem" I wish to you the best of luck Atem I hope with all my heart you win" Atem sees" Kare " Kare sees" well it's time for me to go to sleep ,

good night Atem" Atem sees" good night " Atem says up all night preparing his deck so tomorrow his ready for his duel agents Yugi.

at the next day Yugi and his friend are already in Kaiba Corp, every one sees to Yugi" good luck!" Yugi sees" thanks guys I'll do my best!" in that moment Atem arrives , Atem tells Yugi" ready ?" Yugi sees" ready lets go!" Roland sees" know the duelist must step on the platform "at the same time Yugi and Atem are about to start there duel ,Kaiba starts his duel with the mystery duelist . both Atem and Yugi are ready and Roland sees" duelist start the duel!" both Yugi and Atem say" lets duel!"

## 12 - atem vs.yugi,duel of destiny 2

Atem sees to yugi" ok yugi you start" yugi sees" if you say so!" yugi summons gasel the king of mystical beast in defense mode and hi puts two cards face down and activates stumbling ,yugi sees" well atem let mi tell you what my card does , every time you summon a monster it will be changed to deafens position by the effect of my spell card " , atem sees" ok then mi turn" atem summons rapid-fire magician , then atem sees" well yugi say good bye to 400 life points" yugi sees" huh? But why?" atem sees" the effect of my monster" yugi sees "what?" atem responds" yes. You see when my rapid-fire magician is in play you lose 400 life points for every spell card that is activated " yugi sees" but I haven't activated ant spell card!" atem sees" ohh really and what do you say of you spell card stumbling ? "yugi sees" my card? But I haven't activated it!" atem sees" no yugi you did, you sees your card sees that every time I summon a monster it activates and changes my monster to defense mode , and I summoned my magician and that mines that your card activates and changes my monster !" yugi`s spell card changes atem`s monster to defense mode but yugi loses 400 life points , atem sees" my monster may be in defense mode but you have 400 points less " yugi sees" very nice job atem I didn't expect that" atem sees" thank you yugi but its not time to talk , its your turn" yugi sees" ok my turn" .

At that same moment kaiba was dueling with the mystery duelist and sees" your one of the finalist! You make mi sick, you already have lost 2000 life point and I still have all 4000!" The mystery duelist doesn't do or say any thing and kaiba sees" ok then if you want mi to finish this then that what I'll do! " , back in atem and yugi`s duel , yugi sees in his mind " ok lets see ,atem has his magician in play but its in defense mode and I have my gasel I can attack and destroy his monster , hi doesn't have any spell card or trap card but what if.... That's what hi wants! Maybe hi did that to make mi attack his monster and then destroy my monster ... hmm what shod I do?" atem sees in his mind " yugi looks very confused " then hi sees" yugi make your move " yugi sees" ok then " yugi attacks atem`s monster and sees" well atem now you don't have any defense " atem sees" very well don yugi" yugi sees in his mind" ok it looks like hi didn't have any plan" then atem sees" very well don but now its mi turn" atem summons double coston and activates swords of revealing light then tea sees" oh no! now yugi cant attack!" joey sees" the pharaoh had that planed now yugi can only defend him self" then mai sees" if I wore you two I wood be more scared of atem`s monster that that spell card " the yugi asks atem" what does that monster do? " atem sees" this yugi lets say that it makes more easy to summon a monster" yugi sees" I don't understand" then mai sees" yugi! That monster is a double tribute!" yugi sees" a double tribute?" atem sees" yes yugi my monster let mi summon a monster that need two sacrifices by only sacrificing him "yugi sees" wow! "Tristan sees" that can bee good" but then tea asks "but what monster can the pharaoh summon with that?" than yugi sees" what monster?" and hi stays in shock as hi thinks witch one it cud be , then atem sees" did you find out yet ?... ok then I'll tell you , my monster lets mi summon a dark monster what needs two tributes and the monster I chouse is ... my dark magician!" tea sees" no!" but then Tristan sees" its ok guys I mine yugi can destroy that thing can hi?" mai sees" no hi can , you see atem`s monster has 1650 defense points and yugi gasel has only 1500 attack points and even if yugi cud summon a stronger monster the swords wont let him attack " joey sees" so yugi cant do anything?" mai sees" well that's how things look for yugi" .

At kaiba corp central mokuba is watching the duels and sees" boy yugi is in big trouble, I hope hi can

get out of it" then he looks at Kaiba's duel and sees "what?!" . It's Yugi's turn and he sees "all I can do is put my Gasel in defense mode and it's your turn Atem" Atem sees "ok then, I sacrifice my Double Coston to summon my Dark Magician!" Joey sees "hang on Yugi!" a then Atem sees "but that's not all I'm going to do!" Yugi sees "what?" Atem sees "you see Yugi your spell card Stumbling is still in play" Tristan sees "yea! I forgot so the Pharaoh's monster changes to defense mode! Yugi is safe!" Atem sees "no! He isn't" Tea sees "but why? Your monster can attack" Atem sees "not if I destroy Yugi's card" Yugi sees "no you can't" Atem sees "I can and I will, I activate my Dust Tornado! and I destroy Stumbling" now Yugi has now defense and Atem destroys Yugi's Gasel, then Joey sees "but why didn't Yugi activate any of his two trap cards?" Mai sees "I don't now but Yugi has no defense and his face to face with a monster that has 2500 attack points!" , Atem sees in his mind "why didn't Yugi activate any of his cards?... I wonder does Yugi have a plan?" then Atem sees to Yugi "Yugi you have no monsters and I have in play my most powerful monster , your end as the king of games is near!"
