Chapter 1 - i dont know were i'm goin

2

1 - i dont know were i'm goin

I don't know were I'm goin
I don't know my own past
But all I know right now
is that I'm goin way to fast!
Time and time again I see you living in the past
But that okay cus time...
Moves way to fast.

It doesn't matter were your goin or what'cha do
Cus all that really matters is that my hearts inside of you
As long as your there with me I no longer feel afraid
Cus I know that you know what I am going through

I don't know were I'm going
I don't know my own past
But all I know right now
Is that I'm goin way to fast!
Time and time again I see you living in the past
But that's okay cus time
Moves way to fast

It doesn't matter were your going or what you do
Cus I know your feelings, cu I can feel them too

I don't know were I'm goin
I don't know my own past
All I know right now
Is that I really want this to last...
