**Chapter 1 - all along**

**2**

## 1 - all along

He was walking all along

On the long way on

Waiting for the future to come

For his cursed soul

But to think like this he was a fool

He continued on his way

After he was betrayed

His soul was in pain and teared apart

His fists were clenched with despair

None of this had meaning

Banish from love for ever

Forbidden to smile for all eternity

All he knew was tear and sorrow

Living without a tomorrow

He walked without a single noise

Like a shadow in the night

All that was left

Was his torned flesh

His eyes were light off

Without it's shinning stars

All the ones he loved were gone

Abandoning him to his fate

A restless soul

Without any future

But he would not cry

Not on that day and always

Even if he was frightened

Not a tear would come from his eyes

Not a sob would come from his mouth

All of his hope was gone

On the long way on
