1 - "Hard Endings"

No one wants me,
No one cares,
They look at me with wonder,
Because I keep on holding my stare.
I feel anger and hate rise,
And soon it falls away,
Or it stays with me,
While I sleep and through the day.
No one wants my opinions,
My advice and my reassurance,
So many things happen,
And only I notice the reoccurrence.
But no one cares about that,
They just want those who are slackers,
They don't want what I'm good for,
Which is mental help.
I can't help my friends anymore,
Next year I'll have only a few,
Those days will most likely be peaceful,
I doubt they'll miss me too.
