**Chapter 1 - Gone**

# 1 - Gone

Gone

You left me,  
With no one,  
To help me through.

You leave me,  
To help others,  
But what about me.

I shouldn't be angry,  
About what you do.

I miss you so much,  
Because I love you.

My prayers are for you,  
Throughout every day and night

Please come home,  
Alive and all right.

Please come home,  
After you end the fight.  
Come home safely and well.

Please don't be gone,  
Gone for good.

I love you so much,  
I hope you love me too.

Don't be gone,  
Love of my life.

Come home safely,  
To fix my heart
