Chapter 1 Alphonse is really trying to become a music artist and has been working on a song for some time now "hey ed!" Al shouted. "-sigh- what now?" ed said grumpely. "listen to my new hevy metal song!!" -ahem-CATS RULE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!the cats....are fluffy! the cats...are cool!and that is why the cats rule!and I attend cat school!so you say you don't wanna use the litter box!and you don't wanna take a dump in the sand!well baby thats were I am!and thats what kinda man I am! "ok that was the most retarded gay song I ever herd!" ed rudely pointed out."What?!"Al was very shocked at this, for he had been working on that song for 3 months."How the hell can you say that!" al screamed and cried all the way up stairs and into his room.-----well thats the end of chapter 1! chapter 2 coming soon!-------

2 - brotherly modevation

CHAPTER 2 Ed went upstairs in Al's room to find that he had dramatically thrown himself on the bed. "Al! god your such a woman!" Ed exclaimed. "Your so mean nii-san!" Al sobbed. "what the frack Al! Be a man! If you want to be a rockstar you got to have some damn pride!" Ed want on. Al controlled his tears and stood up strait. "your right brother" Al said in a low, quiet voice. "I need professional help." "you mean like a shrink!?" Ed said shocked. "no you retard!" Al shouted. (END OF CHAPTER 2! STAY TUNED FOR SOME FUNNY, STUPID, AND A LITTLE GAY IN CHAPTER 3!)

3 - Al has a new look

CHAPTER 3 The next day Ed went upstairs and he could hear two voices in Al's room "OMFG! is that a mans voice!?" ed said to himself. Ed opened the door really fast saying "IT'S OK AL! NO MATTER WITCH PATH YOU CHOOSE I WILL ALWAYS BE THERE FOR YOU!"....."uhh..." Al said to ed as he gave him a wtf!? look. then a thin Latino man with a frilly purple shirt came out of the bathroom. "omg, you look sooooo ultra fabulous!" said the man. Ed still thought Al was a messed up gay."OH CRAP! ED I SWEAR NOTHING IS GOING ON!!!!" Al said when he finally realized what the hell Ed was trying to say. "Ed, this is my fashion designer, Felipe."said Al introducing the Latino man. "oh thank god." Ed said with a breath of relief. "So I was thinking we go alittle sexier." said Felipe as he was looking at Al's outfit. It was then that Ed realized what Al was waring. It was a fishnet midriff tank-top with rips in the back, and low riding jeans that belled and fayed out at the bottom. "Al, WHAT THE HELL DO YOU NEED TO DRESS LIKE A GAY MALE STRIPPER FOR!?" Ed screamed. Felipe gasped. "ARE YOU KIDDING!?" HE LOOKS LIKE THE PERFECT ROCKSTAR!" Felipe shouted. Ed ran out of the room and thought "I'm the star of this story! so I should get the sexy clothes!"

4 - getting in the strip club!

CHAPTER 4 "brother! god dammit I told you I'm not gay! I dont need to go to a strip club!" Al screamed as ed was dragging him down the rode. "I need to ruin your pure goody-to-shoes mind with boobs and girls...HOT girls!" ed replied. "NNNNOOOOOOO!!" poor poor Al....."well, wer here!" ed said happily as he looked up at the sign. *Neko Party* it read. "see Al? its cats! your favorite!! Al sighed as they walk towards the door. "wait! we need to look like the people in the I.D.'s picture!" Ed said as he pulled out two wigs. one was short, black hair and the other was blond on top and light brown on the bottom. "OK Al who do you want to be? Mustang or Havoc? Ed said as he lifted the wigs up. "like I'm gonna give you a choice! I always wanted to put bills on mustangs credit card!" Ed said before Al could complain about how wrong it was to steal peoples ID and credit card and impersonate them. ed put the Havoc wig on Al and the mustang wig on himself. they walked in the door and their was a huge body guard standing in the way. "Brother we will never pull this off!" Al whispered. "just trust me!" Ed whispered back. ed disguised his voice, stood up strait, and walked up to the guard and said:" well good evening sir! isn't it a nice day to look at girls in mini-skirts?! Ed said proudly making fun of Mustang while Al was clutching his forehead in and slowly nodding his head side to side. "ID please." said the man. "right here!" Ed said giving both IDs to him. the man looked at the cards, looked at Ed and Al, looked at the cards again, looked at Ed and Al again, and the whole time saying "hmmmmm....you do look awfully short to be over 18,over 12 in fact!"the man said as Ed tried to control his anger. "OH MY GOD! IM NOT 12! MY NAME IS ROY MUSTANG! IM A STATE ALCHEMIST! THE LIEUTENANT CORNALL! YOU BASTARD!! LET ME IN DAMMIT!!!!!!!!!"....."alrighty then! have fun Roy! have fun Jean!" said the man after 10 minutes of studying the cards. "yes! woo! off to mini-skirts and booze!" Ed yelled in a deep man-voice. Al slowly followed the idiot that claimed to be his brother. -CHAPTER 5 COMING SOON!!! be prepared for Al finding love in a strip club!!!!-

5 - OMG IT WORKED!! were in!

CHAPTER 5 Ed and Al were inside the Niko party. they took the wigs off and walked around. "first we need to get drunk out of our skulls." Ed said. "why!?" Al shouted over the music. "So the girls will look hotter!" Ed shouted back Ed dragged his brother to the bar while putting the wigs back on. "two beers! Ed said to the bartender. "ID?" he said. "yep! I'm Mustang and this is Havoc! and we are over 21 and we would like to enjoy some alcoholic beverages!" Ed said pretty retardedly. "yeh yeh save it for someone who cares!" the bartender said annoyed. he handed them two beers. "that'll be 12.95." Ed pulled out a credit card (mustangs credit card) and said "debit" the bartender handed them a card reader and Ed slid the card and entered the pin 8008. APPROVED it read. "brother, how did you know his pin?" Al said quietly so the bartender couldn't hear. "I guessed! it was easy, he's such a perv, of course it spelled out *boob* if you read it as letters! have you ever played with a couculator? Ed said thinking he was such a genius. they got the beers and when Ed wasn't looking Al dumped it into a plant "this is so cool!! and we so got away-" just then some guy ran passed them and knocked the beer out of his hand. "you bastard!" Ed said and chased after him. Al sat down at a table and looked around, and cringed at the site of the nude women. "I'm so outa here!" Al said. he took off running and suddenly...*WAM!* he ran right into one of the strippers. he was thanking god she wasn't fully nude. "I'm so sorry I hit you! are you hurt?!" Al said very caring. "No, I'm fine it'll probably just bruise. she said. she looked up into Al's eyes. "your eyes...there so....new...like they were just...created." she said seeming more hurt. they were in silence. staring into each other's eyes. there was no sound, even though there was blaring music all around. "Um my name is June." she said breaking the silence. the loud music returned. "I-I'm Alphonse!" Al said uncomfortably. Al looked at her ears. they were long and on top of her head. At first Al thought it was part of her costume, but then he saw them move. "cat ears! you're a Niko!" Al shouted. "shut up!" June said covering his mouth. "there are a lot of people who don't like Nikos! they think of me as a witch! this is the only place I can have my ears and tail out!" June said. "I see. I'm sorry!" Al said. "oh stop it! listen, you wanna get outa here?" June asked. "HELL YA!!!"

6 - Al gets a date

-I KNOW THIS REALLY ISN'T ABOUT AL BECOMING A ROCK STAR RIGHT NOW BUT ILL GET TO THE POINT SOON!- CHAPTER 6 June changed out of her stripper outfit and put on a midriff pink and white tank-top that zipped up in front and jeans that had leopard at the bottom. when she came out Al had transmuted a bouquet of lilies for her. "for you, madam." Al said with a bow. "Aww, how sweet! your such a gentlemen." June said accepting the flowers. "where are we going to go?" June asked. "somewhere very special." Al said. "but first I have to make a stop at the bank." Al said walking off. "W-wait for me!" June said realizing she had been staring at him walking away. -the bank- "good evening sir!" said a man behind the counter. "hello, I'd like to make a withdrawal." Al said in a rather bored or deeper voice than his usual cheeriness. "alright then, how much are we taking out to day?" said the man. Al whispered in the mans ear and his eyes widened at what Al was saying. this made June wonder. "I-I'll just go that! jeez." he said under his breath. June taped on Al's shoulder and asked "Alphonse, how much money did you take out?" "only enough for tonight!" Al said more cheery now. the man came back with a rather tall stack of twenties. "here you are. \$1000 cash. sign here." Al signed a paper in a few places and took the money. June was really curious to what they where doing tonight. "Alphonse, you know you don't need to spend any money on me, you don't need to spend even a penny on me. "June I'm not spending it on the date, its for a present I'm planing on getting you....and possibly bail money for my brother." they shared a quick laugh and left the bank. *meanwhile at the strip club* "GOD DAMMIT!!!! GET BACK HERE!! YOU OWE ME A frackING BEER!!!!!!!!!!!! AAAARRRRGGG!!!!!" Ed screamed at the man that took his beer. yes he was still chasing him. *now back to the important part* *where are we going Alphonse!?" June said exited cuz she was blindfolded. "you'll see when we get there!" Al said leading her around. June could tell she was outside, and the air was fresh and crisp. it almost was damp. she new he wasn't paying for anything, but she hoped it wasn't a nature walk, or going swimming. (she hates being fully submerged in water) "Okay June! where here!! she took of the blindfold and gasped. she was standing under a huge waterfall. "Al...Its so beautiful!" June said. the night made the white waterfall glow blue and light up the whole cavern. she turned around to see Al sitting on a blanket with a plate of sushi and sparkling apple cider. "Ok I lied I spent some money on the date." Al said with a smile. June ran over to him and gave him a huge hug. "Thank you, for every thing." June said in his arms. Al was tens at first but then relaxed and put his arms around her. "June, I think I love you."

7 - JERRY! JERRY!

NOTE: CH.7 IS FULL OF LOTS OF STUPID RANDOMNESS. SO THIS WILL PROB GET BACK TO SERIOUSNESS IN THE NEXT CHAPTER. Al returned to the apartment....with June. it was 4:00 in the morning "Jesus, is nii-san still at the strip club?!" Al asked to himself but June answered; "you have a older brother?" "ya,he can be a real pain in the @\$\$ sometimes." just then the door swung open and Ed was thrown in the apartment by a cop making Al and June jump "Your under house arrest!" the police man yelled. then he looked at Al and said " you can take care of your little brother for tonight, cant you? " hey!! I'm 17! hes the little brother!!" Ed said pointing to his taller, younger brother. "17?! I thought you where 12! that's why I was so surprised you broke that mans arm with your hand! "WHAT! DO YOU THINK IM SOME SUPER SPROUT?! THAT IM 6 YEARS OLD WITH THE STRENGTH OF A PRO WRESTLER?! WELL *mmmm mmmm mm mm!!!!!!* Al coverd his mouth just as he was about to cus like hell. the cop left and June looked at Ed and her eyes widened. "YOU!!!!!!!!" June screeched and pointed at ed. "YOU!!!!" Ed screamed as he Jumped up. "YOU GRABBED MY @\$\$!!" she shrieked. " you stole my automail finger!" ed started sobbing and got to his knees. "that was my flipping off finger!! waa!!!" June pulled out a metal finger and threw it at eds head. "fine! take it back!" she yelled. "OW!! GOD! YOUR JUST LIKE WINERY! he yelled back. suddenly a loud crowd started yelling JERRY! JERRY! "where the hell is that coming from?!" Ed said confused. "sorry!" Al said turning off the TV. "what did you do?!" Al said. "I broke that guy who stole my beers arm and got arrested!" O_O
