# 1 - I like the darkness but the light too!

I love the Darkness  
it's where I can hide  
from my fears and sadness

As I sit  
I start to realize  
I'm missing out on a lot  
so I come out of the darkness  
to be greeted by light

light is peaceful and wonderful  
I don't have to hide!  
Because it scares my fears and sadness  
Away!
