# 1 - Chapter one a new world

Do you ever wonder what it's like when you shut a door and stand on the other side? Well this story is about a girl who did. Her name was Rose...it started out like any other day she was sitting outside of her house.

Rose:"nothing ever happens around here!" A girl with black raven hair and blue eyes whined.

Her mother's name was Lily and her father's name was Tom he died so it was just the two of them her and her mother,

Lily:"You're always bored." Her Mother said while hanging clothes on the clothing line.

Rose:"I know mom" She sighed as she spoke. "I just wish there was something I can do!" She whined again.

Lily:"Anything can happen Rose just wait" Her Mother said looking at her smiling

Rose:"I guess...." Rose said looking down with a sigh

Lily:"I know what about you clean your room for once" Her Mother said joking a bit but asking her too.

Rose:"ok." Rose then walked back in to the house, She walked to her room and it was really messy so she cleaned and as she looked at her closet door she saw that something was in there she took a good look at the door and big yellow eyes looked at her she screamed but no one came so she ran to her mother

Rose:"MOM!" Rose cried out.

Lily:"Rose??!!" Her Mother said in a bit of shock.

Rose:"I SAW SOMETHING IN MY CLOSET!" Rose said scared.

Lily:"Huh?! Let's go see what it is...." She said while Rose hid behind her mother.

As they walked in to Rose's room. Lily opened the closet door and they both saw.....A toy that was on making a bright yellow light

Lily:"It's just one of your toys Rose"

Rose:"Huh? but I thought I saw...never mind" Rose sighed and looked down.

Later that night she was awake looking at her closet door waiting and wondering, she thought what was that thing she saw with big yellow eyes and then she saw light coming from her closet door she thought it

was just her eye's and then the door blasted open and she got pulled in by the light and she got up in a world that wasn't her's there was tree's every where as she looked every where she wondered...

Rose:"where am I...?"

# 1 - A New World

Rose:"Were am I?!" The young girl said looking around confused

Orion:"Ur....are you ok?" a boy asked.

Rose:"Huh?" Rose said looking up at him. As she looked at the boy he was maybe 15? 16? he had gray hair and gray eye's and dressed in red.

Orion:"My name's Orion, and your name is?" Orion, asked Rose.

Rose:"It's Rose....Where am I?" Rose asked.

Orion:"Your in 'Cellerdoor'." Orion said.

Rose:"Cellerdoor?" Rose said confused.

Orion:"Yes, didn't you know that?"

Rose:"No i'm not from here." Rose said with a slight sigh.

Orion:"oh?....come with me i'll find you a place to stay." Orion said with a smile.

Rose:"Ok." Rose Sighed.

As they walked past tree after tree it didn't look like they would get anywhere. An tell she saw a big city full of tower's and peopel and shop's as she looked at the city she even wondered more on.

Rose:"How did i get here?" Rose whispered. As she remembered that night.She remembered that there was a bright light and that thing with yellow eye's

Orion:"Are you ok?" Orion asked looking at her.

Rose:"Huh!?" Rose said in a bit of shock coming out of her thinking.

Orion:"You zoned out on me, come on let's go to my place" Orion said walking down the hill of the forest.

Rose:"Ok" Rose whispered to then followed Orion.

They walked in to the city and past peopel and many shop's, They came to, His house that was out of town. And it was on a hill it was a little cabin that was made out of wood and stone but vary small.

Orion:"No place like home!" Orion smiled as he opened the door with a key.

Rose:"Yeah..." Rose sighed looking down.

Orion:"Come on in" Orion smiled again putting his hands in the door and making room for Rose to come in. She walked in to the house and she looked around and saw that his home was big on the inside and little on the out.

Rose:"Wow!" Rose smiled as she looked at the huge white room the floor's were so shiny and clean it was bear in there home. It didn't matter to Rose she looked at the huge stair case that was in the end of the room it had two stair way's and on top the the stair case was a door.

Orion:"Yep, my brother did it! Hey Ryan!" Orion smiled while calling for his brother.

Ryan:"Yeah?" Ryan came out of the door at the top of the stair case he leaned on to banister. Rose looked at him in surprise that he looked just like Orion, but he was dress in yellow.

Orion:"This is my friend Rose!" Orion smiled.

Rose:"Very nice to meet you" Rose said to Ryan.

Ryan:"And it's vary nice to meet you to. Oh? A friend? or are you his girl friend??" Ryan said simrking like a cat.

Rose:"huh?! No I don't even no him!" Rose blushed a light pink while she yelled.

Ryan:"Fine i'll be in my room." Ryan said then turned around and headed back to his room.

Orion:"Ok, sorry he's like that sometime's" Orion said a bit nervuse

Rose:"Oh" Rose said.

Orion:"You can stay here as long as you want to" Orion smiled again.

Rose:"Thank you." Rose said with a little smile.

Orion:"Ok i have to get going, so Ryan!" Orion called out for his brother again before he went in to his room.

Ryan:"What?" He looked back.

Orion:"I Have to go, can you show Rose to her room?"

Ryan:"Ok" Ryan said while he walked half way down the stair case then said "Follow me"

Orion:"Seeya then!" Orion smiled then ran out of the house.

Rose:"Bye" Rose said to him but he was already gone.

Ryan:"Are you coming or what?" Ryan asked while walking up the stairs.

Rose:"Oh yeah!" Rose remembered then ran over to the stairs. The two went up the stairs. There was a lot of rooms in that little house. She said looking around the halls. "How is this place so big?"

Ryan:"I Made it, I'm a Wizard." Ryan said with a smile looking back at her.

Rose:"Really?" Rose seemed a bit confused with that reply from Ryan.

Ryan:"Yeah." Ryan said with that same lazy smile on his face.

Rose:"Cool" Rose said looking around still.

Ryan:"Here's your Room." Ryan said while they were in front of the door. Ryan opened the door and Rose saw that the room it looked a lot like her old room but it wasn't it didn't have any of her things it was an empty room with just a bed.

Ryan:"This is where you sleep." Ryan said.

Rose:"Ok" Rose whispered. Rose walked in to the room and stood in the middle looking out the window that was where her bed was.

Ryan:"You nap and we'll go shopping later." Ryan said again then closed the door.

Rose didn't say anything she walked toward's the bed layed down closed her eyes and fell asleep it seemed that's all she can do but she only hoped that all this was just a dream.

## 2 - A Day In Celldoor

Rose got up from her nap. She walked down the long hall's then down to the stair's and called Ryan.

Rose: "Ryan!" Rose called out.

Ryan: Ryan came out of his room and said. "What?"

Rose: "Are we going to go shopping?"

Ryan: "Yeah let's go" Ryan said then walked down the stair case.

The two walked off to the city and it was a very nice day to shop, as they walked by shop after shop, and got a lot of things for Rose so she'd fit in more. Ryan also got some potions and new clothes for himself.

Ryan: "We shop till we drop" Ryan made his lazy smile.

Rose: "Yeah let's go back" Rose smiled a bit.

Ryan: "Yeah." Ryan said.

The two walked back to the little house and a big monster came it had sharp claws horns it had huge fangs and huge red eyes it came out from nowhere blood dripping from its mouth it had the most disgusting scent.

Ryan: "Not again!" Ryan wined.

Rose: "Huh!?" Rose said shocked hearing the word's 'Again.'

Ryan: "Ice dagger." he said as his arm turned in to a huge ice block of ice shaped as a dagger.

Rose: "Huh?!?" Rose said more shocked she wondered. *'where did that ice come from?!'*

Ryan: The dragon hit him down, Ryan let out a cry of pain "Ahhhh!"

Rose: "RYAN!!" Rose screamed.

Then a Orion came back and with one stab in the neck he killed the monster.

Rose: "Orion??!" Rose said surprised.

Orion: "Rose!" Orion called out back. Orion looked at Ryan then fell to his knees and said. "RYAN! Wake up, wake up!" he said while shaking him.

Ryan: Ryan's eye's closed not moveing one bit or saying one sound.

Rose:"Ryan.....?"

Ryan:"o.....Orion?" Ryan spoke softly in pian.

Orion:"Ryan!!" Orion said happy but really scared.

Ryan:"Ahhh.....Good bye Orion Good bye Rose....." Ryan said then close his eye's.

Orion:"NO GOOD BYES! YOU HERE ME NO GOOD BYES!!!" Orion yelled trying really hard not to cry.

Rose:"Ryan, Don't go!!!" Rose said then sat by orion ready to cry her slfe.

Orion:"RYAN!!!" Orion cryed out, But Ryan didn't said one thing back.

Rose:"Ryan?....." Rose said eye's welling up.

Orion:"Ryan!.....no...." Orion said crying. The two sat on the out side of town and they both cryed but no one could hear them cry. Orion cryed out still crying. "This is not happening!!"

Rose:"Ryan....." rose said crying still.

Ryan:"Ok Ok i'm alife" Ryan looked at the with a huge smile.

Orion:"You jerk!" Orion said wipeing off his tear's.

Rose:"You made us think you were dead!!" Her tear's dried up fast as she yelled.

Ryan:"it was so funny you to where all like Ryan!" Ryan pointed at rose "and you were all like this can't be happening!" He pointed at orion then held his ribs laughing really hard.

Orion:"That's not funny!" Orion said his face getting red.

Rose:"Yeah!" Rose yelled.

Ryan:"It Was for me!" Ryan said then laughed again.

Rose:"Let's go back!" Rose said then stomped off to the house.

Orion:"Yeah!" Orion followed.

Ryan:"Good plan" Ryan smiled again then followed them. The 3 walked back to the little house.

Orion:"I'm sleepy, i'm going to bed" Orion said then walked up the stair case.

Rose:"i'm hungy i'm going to eat" Rose said then walked over to the dinning hall.

Ryan:"Well my back hurt's and so does my body but don't worry about me!" Ryan wined.

Orion:"ok night" Orion yawned.

Rose:"whatever night Orion." Rose said while walking.

Ryan:"doesn't anyone care about me!!!" Ryan yelled.

Rose/Orion:"NO!" Orion and rose both yelled at the same time.

## 8 - Orion's Acking Weird And The New Place

Rose:"...Well...We have to help Him!" Rose said in a higher voice.

Ryan:"Huh?" Ryan looked confused on what Rose had said.

Rose:"C'mon we could do it!" Rose explained to Ryan

Ryan:"....Yeah your right!But if your for-geting i can't leave this place." Ryan sighed.

Rose:"Uh oh yeah i forgot." she said sadly, "...But me and ran could go!" Rose said happily again.

Ran:"Yes we could!" Ran said also.

Ryan:"Ok. You two go and come back with him." Ryan said to the two girls.

Rose:"Got it! But where did you guys live?" Rose said confused

Ryan:"We lived way out side town but it will be easy to see." Ryan a little.

Ran/Rose:both walked over to the door and left later.

Later that day they both came to a house. both the girls looked at it they stood at the busted window's. The house looked so old but it wasn't too old, it looked like it was going to cave in any second.

Rose:"Uh let's go...!" she said a little scared she walked up to the door and open it she looked in the house it was worse in the inside it was cold as a ice box and quite as a mouse

Rose and Ran walked in side to the stairs they both walked up the stairs to the hall they were scared it was getting colder. The quietness was getting more scary to the two they both looked in a room but there was only one bed they kept walking and then...---

Ran:"EPP!!!"she yelled out in fear.

Rose:"What is it?!"she whispered to Ran.

Ran:"I thought I saw a mouse!" she whispered back to Rose."sorry" Ran said in a whisper.

They kept walking down the hall. They came to Orion's and Ryan's room but to their shock no one was in there.

Rose:"wha the--" before she finished someone grabbed Rose's arm."AHH!!" she screamed out in fright.

????:"Rose calm down!" the person said to Rose.

Rose:"o...Orion?!"Rose blushed a light red. Then pull away from him."DON'T EVER SNEEK UP ON ME AGAIN!!!!!"She yelled to the teen.

Ran:"well we found you now"Ran sighed a bit.

Orion:"why were you to looking for me?" Orion looked confused.

Rose:"well you left....you scared me...--I'M MEAN US!" she blushed again and looked down.

Ran:"Uh yeah" Ran giggled at rose.

Orion:"oh well thank's" Orion smiled big at them.

Rose:"hehe now let's get out of here!" Rose said still blushing.

Orion: Orion looked down and said "I don't want to go." he whispered.

Ran:"Huh?" Ran asked him.

Orion:"I DON'T WANT TO GO" Orion said in an angry voice for some this is ok but for Orion no it's not.

Rose:"What are talking about?!"Rose looked at him.

Orion:"I'M NOT GOING!!!!!!!!!!!!!" Orion yelled out louder.

Ran:"Orion what's the matter?..." Ran said but was scared by the way he was acting.

Orion:".....i'm not going." Orion said again but looked evil saying it like he was going to kill them but he looked down.

Rose:"what's wrong with you?" Rose was scared also and very worried

Orion:".....nothing"he looked up with a big grin on his face.

Rose:"are you ok?" Rose looked a worried and really shocked.

Orion:"yeah why?"Orion said smiling.

Ran:"um you were yelling" Ran looked down.

Orion:"huh? anyway let's go back home and see ryan!" he said with a big grin while walking down the stairs and for some who think he's being to happy well he's always happy like that.

Rose:"weird..." Rose said and then followed Orion.

Ran:"yeah" Ran then followed Rose.

Later that same day the three came back to the hospital where Ryan was at.

Ryan: "so your back?" He looked at the three. "Orion have you been feeling weird?..."

Orion: "Nope why do you ask?" he smiled at Ryan

Ryan: "no reason just wondering..." he looked down

A few seconds after he said that a nurse came in

Nurse: "Ryan?" the nurse looked at them.

Ryan: "...yes?" Ryan looked at the women.

Nurse: "someone left you a note." the nurse handed to Ryan the letter.

Ryan: Ryan grabbed the note and said "uh thank's..." he looked at the note.

Nurse: the nurse nodded and left the room.

Ryan: Ryan read the note and looked at the three "well looks like I get to leave early!" Ryan laughed.

Ran: "there letting you go?!" Ran said happily

Ryan: "nope but were leaving!" he smirked and jumped out of bed.

Orion: "uh? Ryan are you sure about that?..." He said nervously.

Ryan: "yes!" He was running around the room trying to get dressed.

Orion: "ok if you say so." Orion said to Ryan.

Ryan: Ryan was finally ready to go "let's go!" Ryan said in a happy voice.

Rose: "ok?" she looked a bit confused.

Later that day they came back to their little home on the outside of town.

Ryan: "feels good to be home" he smiled and walked up the staircase to his room but before he did he turned back and looked at the three teens "....uh....we have to go soon...."

Orion: "what?!" Orion looked shocked.

Rose: "really?!?!" Rose looked more shocked

Ran: "Uh?!" she was shocked as well.

Ryan:"yep" Ryan said with a cool and clam look on his face "so you guy's might want to pack up your thing's..." he said then turned back to his room door "if you need me i'll be in my room!" he said then shut the door.

Orion:"leave? he just got back" orion siad confussed.

Rose:"well let's get packing." she said a bit mad.

Ran:"yeah" she said also

All three teen's went to there room's to pack soon after they were al ready to go and there were in the city of caller door waiting to konw what was going to happen.

Ryan:"ok now let's go" Ryan said cooly.

Rose:"to were?"

Ryan:"were going to use the sobway train!" Ryan said and walked down the stair's to the subway.

the other's followed and still confussed. Later on the train.

Orion:" so were are we going?" Orion said to ryan.

Ryan:"To stone town." Ryan repilyed to him.

[br]

Ryan:Took out a staff then looked at the monsters. "You ladys might want to hide." Ryan said.[br]

[br]

Rose/Ran:Blinked at him.[br]
