1 - Spread your wings, fly, Fac memeber

spread you wings and fly.

Fly and be the angel you are.

let no one bring you down.

may the hearts of the morning find comfort.

may the souls of the tortured find strength within.

spread you wings and fly.

help the wicked, the sad, depressed, misunderstood,
the morners, and tortured.

You are as pure as the snow

as radiant as the beautiful northern lights, when you
touch the earth, touch the souls of everyone.

when you leave i want you to know.

though i never knew you that well, rest forever in
peace.

So for those who weap, tears of pain, losing a friend, family member,
loved one.

That they find the comfort with eas.

Now spread your wings, Fly and be free.
